

PISTOL BORE SNAKE WITH DEN - HOPPES 22 CALIBER PISTOL BORESNAKE WITH DEN

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Snakes](#)

Fast, Pull-Through Cleaning

The Pistol Bore Snake scrubs and cleans the barrel of your handgun in a single step. The built in, bench-quality phosphor bronze brush and braided floss scrub, clean and oil the bore in just minutes. Apply a few drops of bore cleaner to the front of the cord and oil to the end. Drop cord into the bore and pull through five times. Calibers: .22, .30, .32, 9mm, .357, .380, .38, .40, .41, .44, .45 The Pistol Bore Snake is washable and reusable and the lightweight design folds neatly away in new "den" carrying case for easy storage.

Pistol Bore Snake Safety Instructions

Introduction

Thank you for choosing the Pistol Bore Snake with Den Hoppes. This product is designed to help you effectively clean the barrel of your handgun quickly and efficiently. However, it is essential to follow safety guidelines to ensure safe usage and to protect yourself and others. This guide provides important safety information, usage instructions, and disposal guidelines in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure your firearm is pointed in a safe direction when cleaning.
- Keep the Pistol Bore Snake out of reach of children and vulnerable individuals.
- Do not use the Pistol Bore Snake if you notice any damage or wear.
- Always use the Pistol Bore Snake in a wellventilated area.
- Be aware of your surroundings and ensure no one is in proximity when cleaning your firearm.

Specific Safety Precautions for Use

- Before using the Pistol Bore Snake, ensure that your firearm is unloaded.
- Do not apply excessive force when pulling the cord through the bore.
- Avoid using the Pistol Bore Snake on firearms that are not compatible with the specified calibers.
- Use only recommended bore cleaners and oils. Follow the manufacturer's instructions for these products.
- If you experience any adverse reactions (e.g., skin irritation) from cleaning products, discontinue use immediately and seek medical advice.

Instructions for Installation and Usage

1. Preparation

- Ensure your firearm is unloaded and in a safe condition.
- Gather your bore cleaner and oil.

2. Application

- Apply a few drops of bore cleaner to the front of the cord.
- Apply a small amount of oil to the end of the cord.

3. Cleaning Process

- Insert the cord into the bore of the firearm.
- Pull the cord through the bore five times to scrub and clean the barrel effectively.
- After cleaning, inspect the bore to ensure it is clean and free of obstructions.

4. PostCleaning Care

- Store the Pistol Bore Snake in the provided carrying case to keep it clean and organized.
- Wash the Pistol Bore Snake as needed to maintain its effectiveness.

Disposal Instructions

- Dispose of any used bore cleaner and oil according to local regulations.
- If the Pistol Bore Snake is damaged or no longer usable, dispose of it in accordance with local waste

disposal guidelines.

- Do not dispose of the product in general waste if it contains hazardous materials.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Pistol Bore Snake, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for taking the time to read these safety instructions. Following these guidelines will help ensure a safe and effective cleaning experience with your Pistol Bore Snake.
