

# PISTOL BORE SNAKE WITH DEN - HOPPES PISTOL BORESNAKE WITH DEN .40, .41 CALIBER

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Snakes](#)

## Fast, Pull-Through Cleaning

The Pistol Bore Snake scrubs and cleans the barrel of your handgun in a single step. The built in, bench-quality phosphor bronze brush and braided floss scrub, clean and oil the bore in just minutes. Apply a few drops of bore cleaner to the front of the cord and oil to the end. Drop cord into the bore and pull through five times. Calibers: .22, .30, .32, 9mm, .357, .380, .38, .40, .41, .44, .45 The Pistol Bore Snake is washable and reusable and the lightweight design folds neatly away in new "den" carrying case for easy storage.

# Pistol Bore Snake Safety Instructions

## Introduction

Thank you for choosing the Pistol Bore Snake with Den Hoppers. This product is designed to help you clean your handgun's barrel efficiently and safely. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle firearms with care and in accordance with local laws and regulations.
- Ensure that the firearm is unloaded before using the Pistol Bore Snake.
- Keep the Pistol Bore Snake out of reach of children and unauthorized users.
- Regularly inspect the Pistol Bore Snake for wear and tear. Do not use if damaged.
- Follow all manufacturer instructions for cleaning and maintenance.

## Specific Safety Precautions for Use

- Use the Pistol Bore Snake only for the specified calibers: .22, .30, .32, 9mm, .357, .380, .38, .40, .41, .44, .45.
- Apply bore cleaner and oil as directed to avoid excessive buildup or damage to the firearm.
- Do not pull the Pistol Bore Snake through the bore with excessive force to prevent damage to the firearm or the cleaning tool.
- Store the Pistol Bore Snake in its designated carrying case when not in use to prevent contamination and damage.
- If you notice any unusual behavior while using the Pistol Bore Snake, stop using it immediately and consult the manufacturer.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded.
- Gather your Pistol Bore Snake, bore cleaner, and oil.

### 2. Application:

- Apply a few drops of bore cleaner to the front of the cord.
- Apply a small amount of oil to the end of the cord.

### 3. Cleaning:

- Insert the cord into the bore of the handgun.
- Pull the cord through the bore five times for effective cleaning.
- Dispose of any used cleaning materials responsibly.

### 4. PostCleaning:

- Inspect the Pistol Bore Snake for any signs of damage.
- Wash the Pistol Bore Snake according to the manufacturer's instructions to ensure it remains reusable.

## Disposal Instructions

- Dispose of any cleaning agents and materials in accordance with local regulations.
- The Pistol Bore Snake is washable and reusable. If it is no longer usable, dispose of it in a responsible manner, ensuring it does not pose a risk to the environment.

## Contact Information for Further Support

For any safety inquiries or support regarding the Pistol Bore Snake, please contact the manufacturer or refer to the product packaging for additional information.

## Reporting Unsafe Products

If you encounter any unsafe products or accidents, report them to the relevant authorities. Stay informed about product recalls by checking the EU's Safety Gate platform regularly for updates.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Pistol Bore Snake. Thank you for your attention to safety.
