

# PISTOL BORE SNAKE WITH DEN - HOPPES PISTOL BORESNAKE WITH DEN .44, .45 CALIBER

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Snakes](#)

## Fast, Pull-Through Cleaning

The Pistol Bore Snake scrubs and cleans the barrel of your handgun in a single step. The built in, bench-quality phosphor bronze brush and braided floss scrub, clean and oil the bore in just minutes. Apply a few drops of bore cleaner to the front of the cord and oil to the end. Drop cord into the bore and pull through five times. Calibers: .22, .30, .32, 9mm, .357, .380, .38, .40, .41, .44, .45 The Pistol Bore Snake is washable and reusable and the lightweight design folds neatly away in new "den" carrying case for easy storage.

# Pistol Bore Snake Safety Instruction Guide

## Introduction

Thank you for choosing the Pistol Bore Snake with Den Hoppes. This product is designed to help you clean and maintain the barrel of your handgun efficiently. To ensure safe usage and optimal performance, please read and follow the safety guidelines and instructions outlined in this document.

## General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure the firearm is unloaded before using the Pistol Bore Snake.
- Store the Pistol Bore Snake out of reach of children and vulnerable individuals.
- Regularly inspect the Pistol Bore Snake for signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the Pistol Bore Snake only with compatible calibers: .22, .30, .32, 9mm, .357, .380, .38, .40, .41, .44, and .45.
- Do not use the Pistol Bore Snake on firearms that are not compatible with the specified calibers.
- Avoid using excessive force when pulling the Pistol Bore Snake through the barrel.
- Do not leave the Pistol Bore Snake unattended while in use.
- Ensure that the area is well-ventilated when applying bore cleaner and oil.
- Do not ingest any cleaning products or materials associated with the Pistol Bore Snake.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather necessary materials: bore cleaner, oil, and the Pistol Bore Snake.

### 2. Applying Cleaner:

- Apply a few drops of bore cleaner to the front of the cord.
- Apply oil to the end of the Pistol Bore Snake.

### 3. Using the Pistol Bore Snake:

- Insert the front of the Pistol Bore Snake into the barrel of the firearm.
- Pull the cord through the barrel gently.
- Repeat this process five times to ensure thorough cleaning.

### 4. PostUsage Care:

- After use, wash the Pistol Bore Snake according to the manufacturer's instructions.
- Store the Pistol Bore Snake in the provided "den" carrying case for easy storage.

## Disposal Instructions

- Dispose of any used bore cleaner and oil in accordance with local regulations.
- Do not dispose of the Pistol Bore Snake in regular household waste if it is damaged. Follow local disposal

guidelines for hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the Pistol Bore Snake, please refer to the contact information provided on the product packaging or your purchase receipt.

By following these safety guidelines and instructions, you can ensure a safe and effective cleaning experience with your Pistol Bore Snake. Thank you for prioritizing safety and proper firearm maintenance.
