

RIFLE BORESNAKE WITH DEN - HOPPE'S 17 CALIBER RIFLE BORESNAKE WITH DEN

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Snakes](#)

Fast and Efficient Pull-Through Cleaning

The Rifle Bore Snake scrubs and cleans the bore of your rifle in a single step. The built in, bench-quality phosphor bronze brush and braided floss scrub, clean and oil the bore in just minutes. Apply a few drops of bore cleaner to the front of the cord and oil to the end. Drop cord into the bore and pull through five times. The Rifle Bore Snake is washable and reusable and the lightweight design folds neatly away in new "den" carrying case for easy storage.

Safety Instruction Guide for the Rifle Bore Snake with Den Hoppes 17 Caliber

Introduction

Thank you for choosing the Rifle Bore Snake with Den Hoppes 17 Caliber. This product is designed to effectively clean the bore of your rifle in a single step. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that you are using the Rifle Bore Snake in a safe environment, free from distractions.
- Always handle firearms with care and follow standard gun safety protocols.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Rifle Bore Snake for any signs of wear or damage before use.
- If you notice any issues, discontinue use immediately and replace the product.

Specific Safety Precautions for Use

- Always ensure that your rifle is unloaded before attempting to clean it.
- Do not use the Rifle Bore Snake on a hot barrel; allow the barrel to cool before cleaning.
- Avoid using excessive force when pulling the Bore Snake through the barrel.
- Do not apply bore cleaner or oil in excessive amounts; a few drops are sufficient.
- Store the Rifle Bore Snake in its carrying case when not in use to prevent damage or contamination.

Instructions for Installation and Usage

1. Preparation:

- Ensure your rifle is unloaded and pointed in a safe direction.
- Gather your cleaning supplies, including bore cleaner and oil.

2. Application of Cleaner:

- Apply a few drops of bore cleaner to the front of the cord of the Rifle Bore Snake.
- Apply a small amount of oil to the end of the cord.

3. Cleaning Process:

- Carefully drop the cord into the bore of the rifle.
- Pull the Bore Snake through the barrel slowly and steadily.
- Repeat this process five times for optimal cleaning.

4. PostCleaning:

- After cleaning, inspect the Bore Snake for any debris or damage.
- Wash the Rifle Bore Snake as needed to maintain its effectiveness and longevity.
- Allow it to dry completely before storing it in the carrying case.

Disposal Instructions

- Dispose of the Rifle Bore Snake in accordance with local regulations if it becomes damaged beyond use.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product support, please consult the product packaging for the manufacturer's contact information or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Rifle Bore Snake. Always prioritize safety when handling firearms and cleaning equipment. Thank you for your attention to these guidelines.
