

RIFLE BORESNAKE WITH DEN - HOPPE'S 6MM RIFLE BORESNAKE WITH DEN

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Snakes](#)

Fast and Efficient Pull-Through Cleaning

The Rifle Bore Snake scrubs and cleans the bore of your rifle in a single step. The built in, bench-quality phosphor bronze brush and braided floss scrub, clean and oil the bore in just minutes. Apply a few drops of bore cleaner to the front of the cord and oil to the end. Drop cord into the bore and pull through five times. The Rifle Bore Snake is washable and reusable and the lightweight design folds neatly away in new "den" carrying case for easy storage.

Safety Instruction Guide for Rifle Boresnake with Den

Introduction

Thank you for choosing the Rifle Boresnake with Den. This product is designed to help you clean the bore of your rifle efficiently and effectively. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that your firearm is unloaded before using the Rifle Boresnake.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the Rifle Boresnake for any damage before each use. Do not use if damaged.
- Use only as intended; do not modify the product.
- Follow all local, state, and national laws regarding firearm maintenance and safety.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear safety glasses when cleaning firearms to protect your eyes from debris.
- Avoid using excessive force when pulling the Boresnake through the bore.
- Ensure that the bore cleaner and oil used are suitable for your specific rifle type.
- Do not leave the bore cleaner or oil on the bore for extended periods, as this may cause damage.
- Store the Rifle Boresnake in a cool, dry place, away from direct sunlight.

Instructions for Installation and Usage

1. Preparation:

- Ensure your rifle is completely unloaded and pointed in a safe direction.
- Gather your bore cleaner and oil.

2. Applying Cleaner:

- Apply a few drops of bore cleaner to the front of the Boresnake cord.
- Add a small amount of oil to the end of the Boresnake.

3. Using the Boresnake:

- Drop the cord into the bore of your rifle.
- Pull the Boresnake through the bore five times to scrub, clean, and oil the interior.

4. Cleaning and Maintenance:

- After use, rinse the Boresnake with warm water to remove any residue.
- Allow it to dry completely before storing it in the carrying case.

Disposal Instructions

- Dispose of any used bore cleaner and oil according to local regulations.
- The Rifle Boresnake is washable and reusable. If it is no longer usable, dispose of it in accordance with local waste disposal guidelines.

Contact Information for Further Support

For any inquiries or further assistance regarding the Rifle Boresnake with Den, please refer to the contact details provided by the manufacturer or retailer where you purchased the product.
