

# RIFLE BORESNAKE WITH DEN - HOPPE'S 8MM-32 CALIBER RIFLE BORESNAKE WITH DEN

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Snakes](#)

## Fast and Efficient Pull-Through Cleaning

The Rifle Bore Snake scrubs and cleans the bore of your rifle in a single step. The built in, bench-quality phosphor bronze brush and braided floss scrub, clean and oil the bore in just minutes. Apply a few drops of bore cleaner to the front of the cord and oil to the end. Drop cord into the bore and pull through five times. The Rifle Bore Snake is washable and reusable and the lightweight design folds neatly away in new "den" carrying case for easy storage.

# Safety Instruction Guide for Rifle Boresnake with Den Hoppes 8mm32 Caliber

## Introduction

Thank you for choosing the Rifle Boresnake with Den Hoppes. This product is designed to efficiently clean your rifle bore while ensuring safety during use. Please read this safety instruction guide carefully to understand the proper handling, use, and disposal of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for use and maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before using the Boresnake.
- Avoid using the Boresnake in a confined space without proper ventilation.
- Do not apply excessive force when pulling the Boresnake through the bore.
- Ensure that the bore cleaner used is compatible with your firearm.
- Wash the Boresnake before first use to remove any manufacturing residues.
- Store the Boresnake in its designated carrying case to prevent damage and contamination.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your rifle is unloaded and pointed in a safe direction.
- Gather your bore cleaner and oil.

### 2. Application of Cleaner

- Apply a few drops of bore cleaner to the front of the Boresnake cord.
- Apply oil to the end of the Boresnake.

### 3. Using the Boresnake

- Insert the Boresnake into the bore of the rifle from the chamber end.
- Pull the cord through the bore gently and steadily.
- Repeat this process five times to ensure thorough cleaning.

### 4. PostUsage Care

- After use, wash the Boresnake according to the manufacturer's instructions.
- Allow it to dry completely before storing it in the carrying case.

## **Disposal Instructions**

- Dispose of the Boresnake responsibly when it reaches the end of its life cycle.
- Follow local regulations for textile disposal.
- If the Boresnake is damaged, do not attempt to repair it; dispose of it safely.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please reach out to the designated EU contact point provided with the product packaging or documentation.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Rifle Boresnake. Thank you for prioritizing safety and responsible usage.
