

RIFLE BORESNAKE WITH DEN - HOPPE'S 35 CALIBER RIFLE BORESNAKE WITH DEN

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Snakes](#)

Fast and Efficient Pull-Through Cleaning

The Rifle Bore Snake scrubs and cleans the bore of your rifle in a single step. The built in, bench-quality phosphor bronze brush and braided floss scrub, clean and oil the bore in just minutes. Apply a few drops of bore cleaner to the front of the cord and oil to the end. Drop cord into the bore and pull through five times. The Rifle Bore Snake is washable and reusable and the lightweight design folds neatly away in new "den" carrying case for easy storage.

Safety Instruction Guide for Rifle Boresnake with Den Hoppes 35 Caliber

Introduction

Thank you for choosing the Rifle Boresnake with Den Hoppes 35 Caliber. This product is designed to effectively clean the bore of your rifle in a single step. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the Rifle Boresnake in a wellventilated area to avoid inhaling any cleaning chemicals.
- Keep the product out of reach of children and pets to prevent accidental ingestion or injury.
- Ensure that the rifle is unloaded and pointed in a safe direction before using the Boresnake.
- Regularly inspect the Boresnake for any signs of wear or damage before each use.
- Do not use the Boresnake with any other cleaning agents or products unless specified by the manufacturer.

Specific Safety Precautions for Use

- Avoid contact with eyes and skin when using bore cleaner or oil; wear gloves if necessary.
- Use only approved bore cleaners and oils as specified in the product instructions.
- Do not pull the Boresnake through the bore with excessive force, as this may cause damage.
- If you experience any adverse reactions while using cleaning products, discontinue use immediately and seek medical attention.

Instructions for Installation and Usage

1. Preparation

- Ensure your rifle is unloaded and pointed in a safe direction.
- Gather necessary items: Rifle Boresnake, bore cleaner, and oil.

2. Applying Cleaner and Oil

- Apply a few drops of bore cleaner to the front of the Boresnake cord.
- Apply oil to the end of the Boresnake.

3. Using the Boresnake

- Carefully drop the Boresnake cord into the bore of your rifle.
- Pull the Boresnake through the bore five times to effectively scrub and clean.

4. Cleaning and Maintenance

- After use, rinse the Boresnake with warm water and mild detergent.
- Allow it to air dry completely before storing it in the carrying case.

Disposal Instructions

- Dispose of any used bore cleaner and oil according to local regulations.
- The Boresnake is washable and reusable; however, if it becomes damaged beyond use, dispose of it in a manner that prevents environmental contamination.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the Rifle Boresnake, please refer to the manufacturer's contact information included with the product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Rifle Boresnake. Always prioritize safety and proper handling when using cleaning products and equipment. Thank you for your attention to these guidelines.
