# Safety Instruction Guide for TYPE S MATCH BUSHING NECK DIE SETS REDDING 24 NOSLER BUSHING NECK DIE SET

## Introduction

Thank you for choosing the TYPE S MATCH BUSHING NECK DIE SETS REDDING 24 NOSLER BUSHING NECK DIE SET. This product is designed for precision reloading and should be used with care. This guide provides important safety information to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that all users read and understand these safety instructions before using the product.
- Always handle the die set with care to avoid injury.
- Store the product in a safe, dry place away from children and vulnerable individuals.
- Regularly inspect the die set for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of reloading equipment.

## Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the die set.
- Make sure to work in a wellventilated area to avoid inhalation of any dust or particles.
- Be aware of your surroundings and ensure that the work area is clear of any hazards.
- Do not use the die set for any purpose other than its intended use.
- Keep all components of the die set out of reach of children and pets.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that you have all components of the die set: Type S Bushing Neck Sizing Die, Body Die, and Competition Seating Die.
- Read the manufacturer's instructions and recommendations for use.

### 2. Installation

- Securely mount the dies into your reloading press according to the manufacturer's guidelines.
- Adjust the dies as needed for your specific reloading requirements.

### 3. Usage

- Follow the specific reloading procedures for the 24 Nosler cartridge.
- Carefully monitor the reloading process to avoid double charges or other errors.
- After reloading, inspect each cartridge for proper seating and overall quality.

### 4. PostUsage Care

- Clean the die set after each use to prevent corrosion and ensure longevity.
- Store the die set in its original packaging or a secure container to protect it from damage.

## **Disposal Instructions**

- Dispose of any damaged or worn components responsibly, following local regulations for hazardous waste.
- Do not dispose of the product in regular household waste. Instead, contact local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of the TYPE S MATCH BUSHING NECK DIE SETS REDDING 24 NOSLER BUSHING NECK DIE SET, please refer to the manufacturer's contact details provided with the product.

By following these safety instructions, you can ensure a safe and effective reloading experience. Always prioritize safety and compliance with local regulations when using this product.
