

# NATIONAL MATCH DIE SETS - REDDING 24 NOSLER NATIONAL MATCH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding National Match Die Set is for the serious match and military shooter. Each set includes a Full Length Sizing Die (non-bushing type), Taper Crimp Die, and Competition Bullet Seater. "Across the Course" and "Long Range" shooters have bought these dies individually for years at the NRA National Matches. Shooters that prefer the results of a separate taper crimp operation now have their needs packaged in a convenient die set.

# Redding National Match Die Set Safety Instruction Guide

## Introduction

Thank you for choosing the Redding National Match Die Set for your shooting needs. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read the entire guide carefully before using the die set.

## General Safety Guidelines

- Ensure the die set is used only by individuals who are familiar with reloading and the safe handling of firearms.
- Always wear appropriate protective gear, including safety glasses and gloves, when using the die set.
- Keep the die set and all reloading components out of reach of children and unauthorized persons.
- Inspect the die set for any damage before use. Do not use if any parts are damaged or missing.
- Follow all local laws and regulations regarding reloading and the use of firearms.

## Specific Safety Precautions for Use

- **Cartridge Safety:** This die set is specifically designed for the 24 Nosler cartridge. Ensure you are using the correct cartridge type.
- **Handling of Components:** Handle all reloading components with care to avoid any accidental ignition or discharge.
- **Work Area:** Use the die set in a wellventilated area, free from distractions and flammable materials.
- **Firearm Safety:** Always ensure that the firearm is unloaded before performing any reloading operations.
- **Storage:** Store the die set in a secure location when not in use to prevent unauthorized access.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Install the Full Length Sizing Die into the press according to the manufacturer's instructions.
- Follow with the Taper Crimp Die and Competition Bullet Seater, ensuring each die is tightened securely.

### 2. Usage:

- Begin by resizing the cartridge cases using the Full Length Sizing Die. Follow the press operation instructions for proper resizing techniques.
- After resizing, use the Taper Crimp Die to apply a crimp to the bullet. Adjust the die to achieve the desired crimp effect.
- Finally, use the Competition Bullet Seater to seat the bullet to the correct overall length as per your specifications.

### 3. PostUse:

- Clean the die set after use to remove any residue and prevent corrosion.
- Store the die set in its original packaging or a secure container to protect it from damage.

## **Disposal Instructions**

- Dispose of any unused or expired reloading components according to local regulations.
- Do not dispose of reloading materials in regular household waste. Check with local authorities for proper disposal methods for hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the Redding National Match Die Set, please consult the appropriate contact resources available in your region.

Thank you for your attention to these safety guidelines. Proper use and handling of the Redding National Match Die Set will enhance your shooting experience while ensuring your safety and the safety of those around you.
