# **Safety Instruction Guide for TYPE S BUSHING NECK DIE SETS REDDING 24 NOSLER BUSHING NECK DIE SET**

## **Introduction**

Thank you for choosing the TYPE S BUSHING NECK DIE SETS REDDING 24 NOSLER BUSHING NECK DIE SET. This product is designed for reloading enthusiasts who aim to achieve precise control over case neck size and tension. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## **General Safety Guidelines**

- Ensure that the product is used only by individuals who are knowledgeable about reloading and firearms.
- Always wear appropriate safety gear, including eye protection, when using reloading equipment.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the die set for any signs of wear or damage before each use.
- Do not use the die set for purposes other than its intended use.
- Follow all local laws and regulations related to reloading and firearm usage.

## **Specific Safety Precautions for Use**

- Always ensure that the reloading area is wellventilated to avoid inhalation of dust and fumes.
- Use the correct bushing size for your specific cartridge to avoid excessive neck tension or sizing.
- Avoid overtightening the die set components to prevent damage or malfunction.
- Never exceed the recommended load data provided by reputable sources.
- Be cautious when handling primers and powder; store them in a cool, dry place away from heat sources.
- In case of any malfunction or accident, cease use immediately and consult a qualified professional.

## **Instructions for Installation and Usage**

### **1. Unpacking the Die Set**

- Carefully remove the die set from the packaging.
- Verify that all components are included: Type S Bushing Neck Die, Body Die, wrench, and extra decapping pin.

### **2. Installation**

- Secure the Body Die in the reloading press according to the manufacturer's instructions.
- Install the Type S Bushing Neck Die by threading it into the press until it is snug but not overly tight.

### **3. Setting Up the Bushing**

- Select the appropriate bushing for your cartridge size.
- Insert the bushing into the neck die and ensure it is properly seated.

### **4. Reloading Process**

- Start by resizing the brass cases using the Body Die.
- Next, use the Type S Bushing Neck Die to size the necks of the cases to the desired tension.
- Always check the dimensions of the resized cases with a caliper to ensure they meet

specifications.

## 5. Regular Maintenance

- After use, clean the dies to remove any debris or residue.
- Store the die set in a dry, cool place to prevent rust or damage.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste. Follow local hazardous waste disposal guidelines.

## Contact Information for Further Support

For any questions or concerns regarding the use of the TYPE S BUSHING NECK DIE SETS REDDING 24 NOSLER BUSHING NECK DIE SET, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for choosing our product. Safe reloading!
