

# NECK SIZING DIES - REDDING 20 NOSLER NECK SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Neck Sizing Dies size only the necks of your bottleneck cases to prolong brass life and improve accuracy. It is important that fired cases should never be interchanged between rifles since the neck sizing dies do not size the shoulder or body. Ideal for cartridges used in Bolt Action rifles. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging.

## Attributes

- Name: [REDDING 20 NOSLER NECK SIZING DIE](#)
- Manufacturer: [REDDING](#)
- Product no.: 100028800

# Safety Instruction Guide for Redding 20 Nosler Neck Sizing Die

## Introduction

Thank you for choosing the Redding 20 Nosler Neck Sizing Die. This product is designed to enhance your reloading experience by sizing only the necks of your bottleneck cases, improving accuracy and prolonging the life of your brass. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the die is used only for its intended purpose, which is neck sizing of 20 Nosler cartridges.
- Always handle reloading equipment with care and follow all safety protocols related to reloading ammunition.
- Keep the die and reloading components out of reach of children and unauthorized users.
- Inspect the die regularly for any signs of wear or damage. Do not use if damaged.
- Follow all relevant local laws and regulations regarding the reloading of ammunition.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**

- Always wear safety glasses to protect your eyes from debris.
- Consider wearing gloves to protect your hands from sharp edges and potential contaminants.

- **Workspace Safety:**

- Ensure your workspace is clean, welllit, and free from distractions.
- Use a sturdy workbench to prevent accidents during the reloading process.

- **Die Handling:**

- Handle the die with care to avoid injury.
- Do not attempt to modify or alter the die in any way.

- **Reloading Practices:**

- Never interchange fired cases between different rifles, as this can lead to dangerous situations.
- Follow the manufacturer's instructions for the use of the die to ensure proper sizing and safety.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Remove any existing die from the press if necessary.
- Carefully screw the Redding Neck Sizing Die into the press, ensuring it is tightened securely but not overtightened.
- Adjust the die according to the manufacturer's instructions to achieve the desired neck sizing.

### 2. Usage:

- Prepare your brass by cleaning and inspecting it for defects before sizing.
- Insert the brass case into the die and operate the reloading press to size the neck.
- After sizing, remove the case and inspect it for proper sizing and any signs of damage.
- Store the die in a safe, dry place when not in use to prevent corrosion and damage.

## **Disposal Instructions**

- Dispose of any damaged or wornout dies according to local regulations regarding metal waste.
- Recycle packaging materials where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the Redding 20 Nosler Neck Sizing Die, please refer to the manufacturer's contact point within the EU. Ensure you have your product details available for a quicker response.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with your Redding Neck Sizing Die. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important safety measures.
