

# SEATER DIES - REDDING 24 NOSLER SEATING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Seating Die includes bullet guide, built-in crimp ring and the proper seating plug. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging.

# Safety Instruction Guide for SEATER DIES REDDING 24 NOSLER SEATING DIE

## Introduction

Thank you for choosing the SEATER DIES REDDING 24 NOSLER SEATING DIE. This guide provides important safety instructions and information to ensure the safe and effective use of your die. Please read and follow these guidelines carefully to avoid any risks and to ensure optimal performance.

## General Safety Guidelines

- Ensure that the die is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when handling the die.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Inspect the die for any damage or wear before use. Do not use if damaged.
- Follow proper storage practices to maintain the integrity of the die and prevent accidents.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The die is sharp and can cause cuts. Handle with care.
  - Improper use may lead to misfires or projectiles not seating correctly, which can be dangerous.
- **Avoiding Hazards:**
  - Always ensure that the die is securely mounted before use.
  - Do not exceed the recommended load specifications.
  - Use only the correct caliber components for the die.
- **Age Restrictions:**
  - This product is intended for use by adults only. Keep out of reach of children.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the reloading press is securely mounted on a stable surface.
- Insert the SEATER DIES REDDING 24 NOSLER SEATING DIE into the press according to the manufacturer's instructions.
- Tighten the die securely to prevent movement during operation.

### 2. Usage:

- Prepare your cartridge cases according to standard reloading practices.
- Insert the bullet into the case mouth and place it in the die.
- Adjust the seating depth according to your specifications.
- Pull the handle of the press smoothly to seat the bullet.
- Inspect the finished cartridge for proper bullet seating and crimping.

## Disposal Instructions

- Dispose of any damaged or worn dies according to local regulations.
- Do not throw the die in regular trash. Check with local waste management for proper disposal methods.
- Ensure that all reloading components are disposed of safely to prevent environmental harm.

## **Contact Information for Further Support**

For any safety inquiries or to report unsafe products, please contact the appropriate authorities or consumer safety organizations in your region. Ensure you have the product details on hand when seeking assistance.

By following these guidelines, you can ensure a safe and effective reloading experience with your SEATER DIES REDDING 24 NOSLER SEATING DIE. Thank you for prioritizing safety in your reloading practices.
