# Safety Instruction Guide for SEATER DIES REDDING SEATER DIE 20 NOSLER

## Introduction

Thank you for choosing the SEATER DIES REDDING SEATER DIE 20 NOSLER. This product is designed for bullet seating in the reloading process. To ensure your safety and the proper functioning of the die, please read this guide carefully. It contains important information regarding safe use, installation, and disposal.

## General Safety Guidelines

- Ensure the die is used only for its intended purpose: bullet seating for the 20 Nosler cartridge.
- Always wear appropriate safety gear, including safety glasses and gloves, while handling reloading equipment.
- Keep the die and all reloading components out of reach of children and vulnerable individuals.
- Regularly inspect the die for any signs of wear or damage before use.
- Do not exceed the recommended load specifications for the 20 Nosler cartridge to prevent accidents.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- Always use the die in a wellventilated area to avoid inhaling any dust or particles.
- When adjusting the die, ensure the press is not in operation to prevent accidental engagement.
- Use only compatible components with the die to avoid malfunction or unsafe conditions.
- If you notice any unusual sounds or resistance while using the die, stop immediately and inspect for issues.
- Store the die in a cool, dry place to prevent rust and deterioration.
- Dispose of any unused or damaged components according to local hazardous waste regulations.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Insert the SEATER DIES REDDING SEATER DIE into the press according to the manufacturer's instructions.
- Tighten the die securely to prevent movement during operation.

### 2. Usage:

- Adjust the seating depth according to your specific load requirements.
- Place a bullet into the die's bullet guide.
- Operate the reloading press to seat the bullet into the cartridge case.
- Inspect the completed cartridge to ensure proper seating and crimping.

## Disposal Instructions

- Dispose of the die and any reloading components in accordance with local regulations.
- Do not throw the die or any metal components in regular trash.
- Check with local authorities for proper disposal methods for hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or productrelated questions, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these safety instructions, you can help ensure a safe and effective reloading experience with your SEATER DIES REDDING SEATER DIE 20 NOSLER. Thank you for prioritizing safety in your reloading practices.
