

PREMIUM HANDGUN EXPANDER DIES - REDDING 9MM LUGER

PREMIUM EXPANDER DIE

[Reloading](#) > [Reloading Dies](#) > [Handgun Dies](#)

The Redding Premium Handgun Expander Die has a unique series of processes it provides as it travels into the case itself making it stand apart from the crowd. First a radius on its base eases entry into the case mouth. Next a parallel expander section expands and true's the case internally to create a perfect bearing surface for the bullet as it is seated. This also adds a more uniform bullet pull and start pressure as well. Next is a small step to properly align the bullet with the centerline of the cartridge case. This positions the bullet for proper contact with the seating micrometer, adding uniformity during the actual seating process. Lastly, a flare to further open the case mouth when using cast bullets so they do not shave lead during the seating process.

Attributes

- Name: [REDDING 9MM LUGER PREMIUM EXPANDER DIE](#)
- Manufacturer: [REDDING](#)

PREMIUM HANDGUN EXPANDER DIES REDDING

9MM LUGER Safety Instruction Guide

Introduction

Thank you for choosing the Redding Premium Handgun Expander Die for your reloading needs. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this manual carefully before use.

General Safety Guidelines

- Ensure that you are familiar with the safe handling and operation of reloading equipment.
- Always wear appropriate safety gear, including safety glasses and gloves, when reloading ammunition.
- Store the die in a secure location, away from children and unauthorized users.
- Regularly inspect the die for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding ammunition reloading.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The expander die is designed for use with 9mm Luger cartridges. Using it with other calibers may result in malfunction or injury.
 - Improper handling or use of the die can lead to accidents, including misfires and injuries.
- **Avoiding Hazards:**
 - Always ensure that the die is properly installed in the reloading press before use.
 - Do not attempt to modify or alter the die in any way.
 - Keep hands and other body parts clear of moving parts while operating the reloading press.
 - Do not exceed the recommended load specifications for the ammunition being reloaded.
- **Warnings:**
 - This product is not intended for use by individuals under the age of 18. Adult supervision is required.
 - If you experience any unusual resistance while using the die, stop immediately and inspect for issues.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure your reloading press is turned off and unplugged.
 2. Securely attach the Redding Premium Handgun Expander Die to the reloading press, following the manufacturer's instructions.
 3. Adjust the die to the desired depth according to the specifications for 9mm Luger cartridges.
- **Usage:**
 1. Begin by preparing your cartridge cases according to standard reloading practices.
 2. Insert the case into the die, ensuring it is properly seated.
 3. Pull the handle of the reloading press to expand the case mouth, allowing for bullet seating.

4. Follow up with the bullet seating process, ensuring proper alignment and depth.
5. Inspect each completed round for proper dimensions and quality before use.

Disposal Instructions

- Dispose of any damaged or wornout dies in accordance with local regulations.
- Do not dispose of the die in regular household waste.
- Contact your local waste management facility for proper disposal guidelines.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please consult the EU Safety Gate platform or contact your local consumer safety authority.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with the Redding Premium Handgun Expander Die. Always prioritize safety and adhere to best practices while handling and using reloading equipment.
