

PREMIUM HANDGUN EXPANDER DIES - REDDING 40 S&W, 10MM PREMIUM EXPANDER DIE

[Reloading](#) > [Reloading Dies](#) > [Handgun Dies](#)

The Redding Premium Handgun Expander Die has a unique series of processes it provides as it travels into the case itself making it stand apart from the crowd. First a radius on its base eases entry into the case mouth. Next a parallel expander section expands and true's the case internally to create a perfect bearing surface for the bullet as it is seated. This also adds a more uniform bullet pull and start pressure as well. Next is a small step to properly align the bullet with the centerline of the cartridge case. This positions the bullet for proper contact with the seating micrometer, adding uniformity during the actual seating process. Lastly, a flare to further open the case mouth when using cast bullets so they do not shave lead during the seating process.

Attributes

- Name: [REDDING 40 S&W, 10MM PREMIUM EXPANDER DIE](#)
- Manufacturer: [REDDING](#)

Safety Instruction Guide for PREMIUM HANDGUN EXPANDER DIES REDDING 40 S&W, 10MM PREMIUM EXPANDER DIE

Introduction

Thank you for choosing the Redding Premium Handgun Expander Die. This product is designed to enhance your reloading experience by ensuring precision and safety. Please read this safety instruction guide carefully to ensure safe and proper use.

General Safety Guidelines

- Always handle reloading equipment with care and ensure it is used in a safe environment.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Ensure that you are familiar with the laws and regulations regarding reloading in your area.
- Inspect the expander die for any signs of damage before use. Do not use if damaged.
- Follow all manufacturer instructions and safety guidelines related to reloading practices.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses, when reloading ammunition.
- Ensure your workspace is welllit and free from distractions.
- Do not exceed recommended load data as specified in reliable reloading manuals.
- Use only the appropriate cartridge cases specified for this die (10 mm Auto, 40 S&W).
- Be aware of the potential hazards associated with handling reloading components, including lead exposure.
- Do not attempt to modify the die or use it for purposes other than intended.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Clean the expander die before installation to remove any debris or residue.
- Thread the expander die into the reloading press until it is snug but do not overtighten.
- Adjust the die according to the manufacturer's instructions to achieve the desired settings.

2. Usage:

- Before using the die, ensure that the reloading press is in a safe and stable position.
- Insert a clean cartridge case into the reloading press.
- Slowly lower the ram to engage the expander die with the case mouth.
- Follow the instructions for expanding the case mouth, ensuring that the bullet aligns properly with the centerline of the cartridge case.
- After seating the bullet, inspect the cartridge to ensure there are no signs of lead shaving or other issues.
- Keep your hands and face clear of the reloading press during operation.

Disposal Instructions

- Dispose of any spent primers, powder, or other reloading components in accordance with local regulations.

- Do not dispose of reloading materials in regular household waste. Follow guidelines for hazardous waste disposal if applicable.
- Ensure that all components are stored safely until disposal.

Contact Information for Further Support

For any questions or concerns regarding the use of the Redding Premium Handgun Expander Die, please refer to the product documentation or contact the manufacturer directly.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with the Redding Premium Handgun Expander Die. Always prioritize safety and compliance with local regulations while reloading ammunition. Thank you for your attention to safety and for choosing Redding products.
