

# FINGER STOP - ARISAKA DEFENSE PICATINNY FINGER STOP ALUMINUM BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Foregrips](#)

## Keep Your Fingers Where They Belong

The Arasaka Finger Stop for Picatinny rail was designed to be a low-profile control accessory with a very minimal form factor. The slim profile of the finger stop fits comfortably between the index and middle finger giving you a comfortable reference point on the handguard. The finger stop has a wide profile that also works well as a reference point at the rear of the hand. Designed to work with MIL-STD-1913 Picatinny rail, the Arisaka Defense Finger Stop also can function as a barricade stop or forward index point to prevent your hand from slipping onto a hot barrel or suppressor. Fits: MIL-STD-1913 Picatinny rail Color: Black Secured with two nylon tipped 3/32" Allen screws 6061-T6 Aluminum construction Weight: 0.4 oz Arasaka ensured that the finger stop will not cause a pistol to be classified as an "any other weapon" as defined by 26 U.S.C. § 5845(a).

## FINGER STOP ALUMINUM BLACK Safety

### Instruction Guide

## Introduction

Thank you for choosing the Arisaka Finger Stop for Picatinny rail. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Always inspect the Finger Stop before each use for any signs of damage or wear.
- Ensure that the Finger Stop is securely attached to the Picatinny rail before using your firearm.
- Use the Finger Stop only with compatible firearms and accessories.
- Keep the Finger Stop and all related accessories out of reach of children and unauthorized users.
- Do not use the Finger Stop in any manner that could compromise the safety of the firearm or the user.
- Report any unsafe products or accidents related to the Finger Stop to the appropriate authorities.

## Specific Safety Precautions for Use

- **Proper Handling:** Always treat your firearm as if it is loaded. Never point the firearm at anything you do not intend to shoot.
- **Avoid Hot Surfaces:** The Finger Stop can help prevent your hand from slipping onto a hot barrel or suppressor. Always be aware of the temperature of your firearm during use.
- **Correct Installation:** Ensure that the Finger Stop is installed according to the instructions provided. Improper installation can lead to malfunction or injury.
- **Age Restrictions:** This product is intended for use by individuals who are legally permitted to handle firearms. Ensure compliance with local laws and regulations.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Locate the desired position on the MILSTD1913 Picatinny rail.
- Align the Finger Stop with the rail.
- Secure the Finger Stop using the two nylon tipped 3/32" Allen screws provided. Ensure that the screws are tightened adequately without overtightening, which may damage the product or rail.

### 2. Usage:

- Place your index and middle finger comfortably between the Finger Stop for a secure grip.
- Use the Finger Stop as a reference point for your hand position.
- If using the Finger Stop as a barricade stop, ensure that it is properly positioned to prevent your hand from slipping.
- Always be cautious of the firearm's operational status and surroundings while using the Finger Stop.

## **Disposal Instructions**

- When disposing of the Finger Stop, follow local regulations for the disposal of aluminum products.
- Do not dispose of the Finger Stop in regular household waste. Instead, consider recycling options available in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided on the packaging or product website.

By following these safety instructions, you will ensure not only your safety but also the effective use of the Arisaka Finger Stop. Thank you for your attention to these important guidelines.
