

INLINE SCOUT MOUNT - ARISAKA DEFENSE M-LOK INLINE SCOUT MOUNT BLACK

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Mounts](#)

Upgrade the Mount on Your Scout Light

The Arisaka Inline Scout Mount makes replacing the clumsy Picatinny mount on your Surefire M300 or M600, Arisaka 300 and 600 series lights, and Streamlight Protac Rail Mount 1 and 2 lights a snap. The Inline Scout Mount uses the factory attachment points on the light body and keeps the light body only 0.2" above the mounting surface for the tightest possible fit. Arisaka also built a side to side adjustment of up to 0.12" from center to help you clear other accessories and get the light into the most optimal position possible. Color: Black Compatible with any light that has 'Scout' mounting points 7075 Aluminum construction Weight: 0.5 oz Arisaka's new version of the Inline Scout Mount for KeyMod is made from stronger 7075 aluminum and uses BCM's inverted KeyMod screws with twin recoil lugs giving you the most secure fit.

INLINE SCOUT MOUNT ARISAKA DEFENSE MLOK

Safety Instruction Guide

Introduction

Thank you for choosing the INLINE SCOUT MOUNT ARISAKA DEFENSE MLOK. This safety instruction guide is designed to ensure the safe use of the product and to provide you with essential information regarding its installation, use, and disposal. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a flashlight mount.
- Always inspect the mount and flashlight for any signs of damage before installation and use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- In case of any malfunction or damage, cease use immediately and consult a professional.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit of the flashlight when mounted.
- Ensure that all screws and attachments are securely fastened before use.
- Avoid exposing the mount to extreme temperatures or harsh environmental conditions.
- Do not modify the product in any way as this can compromise safety and performance.
- Ensure that the mount does not obstruct your view or interfere with the operation of your firearm or equipment.

Instructions for Installation and Usage

1. Installation

- Ensure that the mounting surface is clean and free of debris.
- Align the INLINE SCOUT MOUNT with the factory attachment points on your flashlight.
- Use the provided screws to securely attach the mount to the flashlight.
- Adjust the mount side to side (up to 0.12 inches) to ensure optimal positioning and clearance from other accessories.
- Tighten all screws firmly but do not overtighten, as this may damage the mount or flashlight.

2. Usage

- Once installed, test the flashlight to ensure it is securely mounted and operational.
- Use the flashlight in a safe environment, avoiding areas where it may be exposed to moisture or impact.
- If using in conjunction with firearms, ensure that all safety protocols for firearm handling are followed.
- Regularly check the mount and flashlight for any signs of wear or loosening during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond repair, ensure that it is disposed of in a way that prevents environmental harm.
- Recycle components when possible, following local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the INLINE SCOUT MOUNT ARISAKA DEFENSE MLOK, please consult the manufacturer or your point of purchase for assistance. Ensure you have the product details available for reference.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
