

600 SERIES LIGHT BODY - ARISAKA DEFENSE 600 SERIES LIGHT BODY BLACK

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Mounts](#)

A Surefire M600 Body Replacement That Offers More Clearance for Sights or Accessories

Arisaka's 600 Series Light Body is a low-profile replacement for the Surefire M600 series of scout lights that provides more clearance for back up iron sights or accessories. The 600 Series body has been CNC machined without the protrusions for the stock Picatinny clamp and interfaces directly with an aftermarket Scout mount like one of Arisaka's Inline Scout Mounts. The 600 Series Light Body is compatible with both E2 series and M600 series tail caps as well as heads similar to the E2T, KM2B, KX2C, and KE2A. The 600 Series light body also fully supports IR heads and accommodates two 123A batteries. DOES NOT INCLUDE HEAD, MOUNT, OR TAILCAP Color: Black Uses E2T, KM2B, KX2C, and KE2A style heads. Compatible with E2 series and M600 series tailcaps 6061 T-6 Aluminum construction Weight: 0.6 oz The 600 Series Light Body from Arisaka is made of 6061-T6 aluminum with a MIL-A-8625 Type III hard coat anodization. The interior of the light body is treated with a MIL-DTL-5541 Type II Class 3 chem film for maximum conductivity and protection from oxidation.

Safety Instruction Guide for the 600 Series Light Body

Introduction

Thank you for choosing the 600 Series Light Body from Arisaka Defense. This product is designed to enhance your lighting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the 600 Series Light Body by following all instructions provided in this guide. This product complies with EU General Product Safety Regulation (GPSR) to protect consumers.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized recall notices. Please keep your purchase information accessible for any potential recalls.
- **Online Shopping Safety:** If you purchased this product online, know that you have the same safety protections as if you bought it in a physical store.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided on the packaging or the retailer's website.
- **Rapid Alerts:** Stay informed about product safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The 600 Series Light Body is designed for use with specific heads and tail caps. Using incompatible components may result in malfunction or injury.
 - Do not expose the light body to extreme temperatures, moisture, or corrosive substances.
- **Avoiding Hazards:**
 - Always ensure the light body is securely attached to the mount before use.
 - Regularly inspect the light body for any signs of damage or wear. If damaged, discontinue use immediately.
 - Do not look directly into the light when it is turned on to avoid eye injury.
- **Age Restrictions:**
 - This product is not suitable for children. Ensure that all users are adults or under adult supervision.

Instructions for Installation and Usage

1. Installation:

- Ensure that the mounting surface is clean and free from debris.
- Attach the 600 Series Light Body to the compatible mount, ensuring it is securely fastened.
- Confirm that the light body is properly aligned and does not obstruct any necessary components (e.g., back up iron sights).

2. Usage:

- Insert two 123A batteries into the light body, ensuring proper orientation according to the polarity markings.
- Attach the compatible tail cap (E2 series or M600 series) to the light body.
- To operate the light, press the switch located on the tail cap. Adjust the settings as per your

requirement.

- After use, turn off the light to conserve battery life and prevent overheating.

Disposal Instructions

- Dispose of the 600 Series Light Body in accordance with local regulations regarding electronic waste.
- Remove batteries before disposal and recycle them according to your local battery recycling program.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For any inquiries or support regarding the 600 Series Light Body, please refer to the contact information provided on the product packaging or the retailer's website.

Thank you for your attention to these safety instructions. Enjoy using your 600 Series Light Body safely and effectively!
