

# OFFSET SCOUT MOUNT - ARISAKA DEFENSE KEYMOD OFFSET SCOUT MOUNT BLACK

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Mounts](#)

## Mount a Scout Style Light in the Perfect Position

Designed especially for the M300 and M600 Surefire Scout lights, the Arisaka Offset Scout Mount for KeyMod is perfect for mounting a light at the 45-degree position. The mount is also compatible with the Arisaka 300 and 600 series lights as well as the Streamlight Protac Rail Mount 1, 2, and HL-X lights. The mount replaces the factory Picatinny adaptor with a low profile offset mounting option. The Arisaka Offset Scout Mount uses BMC's patented inverted KeyMod screws to keep the mount to a very manageable 0.20" thick. Color: Black Fits: KeyMod 6061 T-6 Aluminum construction Length: 1.265" Weight: 0.4 oz The ultra slim Offset Scout Mount also features three lateral positions that allow up to a 0.24" mounting position from the center of the mount to clear accessories or back up iron sights.

# Safety Instruction Guide for Arisaka Defense Offset Scout Mount

## Introduction

Thank you for choosing the Arisaka Defense Offset Scout Mount. This product is designed to provide a secure and efficient method for mounting your Surefire Scout lights. To ensure your safety and the optimal use of this product, please read and follow the safety guidelines and instructions outlined in this document.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use with nonfood items, ensuring compliance with EU safety standards.
- **Enhanced Recalls:** In case of any safety issues, recall notices will be provided, and remedies will be available at no cost.
- **Online Shopping:** When purchasing online, you have the same safety protections as when buying in physical stores.
- **Special Consumer Focus:** Extra care is taken to ensure safety for vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Stay updated on any unsafe products through the EU Safety Gate system.

## Specific Safety Precautions for Use

- **Proper Use:** Ensure that the mount is used only with compatible Scout lights (M300, M600, Arisaka 300, 600 series, and Streamlight Protac Rail Mount 1, 2, and HLX).
- **Installation:** Follow the installation instructions carefully to avoid any improper assembly that may lead to safety hazards.
- **Weight Limit:** Do not exceed the weight limit specified for the mount to prevent failure during use.
- **Inspection:** Regularly inspect the mount for any signs of wear or damage. Do not use if damaged.
- **Environment:** Avoid using the mount in extreme conditions that may affect its performance, such as high humidity or extreme temperatures.
- **Children:** Keep this product out of reach of children to prevent accidental injury.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the surface where the mount will be installed is clean and free of debris.
- Use the provided BMC patented inverted KeyMod screws for installation.
- Align the mount at the desired 45degree angle and secure it tightly to prevent movement.
- Confirm that the mount is firmly attached before proceeding to attach the light.

### 2. Usage:

- Once installed, attach your Scout light securely to the mount.
- Adjust the light to the desired angle for optimal illumination.
- Regularly check the attachment to ensure it remains secure during use.

## Disposal Instructions

- When disposing of the product, please follow your local regulations for electronic waste and metal recycling.

- Do not dispose of the product in household waste.
- Consider reusing or recycling components when possible.

## **Contact Information for Further Support**

For any questions or additional support regarding the Arisaka Defense Offset Scout Mount, please refer to the EU contact point associated with this product.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using your Arisaka Defense Offset Scout Mount.
