[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

Choose Where You Want a QD Sling Attachment Point With Minimal Bulk

Arisaka's QD Mount for KeyMod handguards allows you to place a sturdy quick detach mounting point in the lowest profile possible. The mount uses BCM's patented inverted KeyMod screws keeping the mount secure under high loads while keeping the mount thickness to a scant 0.167" when measured off the mounting surface. Color: Black Fits: KeyMod 7075 Aluminum construction Height: 0.167" Weight: 0.19 oz The Arisaka QD Mount for KeyMod handguards also features an anti-rotation design that allows the QD swivel to rest in 8 different positions.

QD Mount Arisaka Defense KeyMod Safety Instruction Guide

Introduction

Thank you for choosing the QD Mount Arisaka Defense KeyMod. This guide provides essential safety instructions and usage information to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure safe use of the QD Mount by following all instructions provided in this guide.
- Be aware of potential hazards associated with improper installation or use.
- Regularly inspect the mount for any signs of wear or damage.
- Keep the mount out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the QD Mount is securely attached to the KeyMod handguard before use.
- Do not exceed the recommended weight limit for the QD Mount.
- Check that the QD swivel is properly positioned in one of the eight available positions to avoid accidental detachment.
- Avoid using the mount in extreme weather conditions that may affect its performance.
- If you notice any damage or malfunction, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

1. Installation:

- Ensure that your KeyMod handguard is clean and free from debris.
- Align the QD Mount with the desired KeyMod slot on your handguard.
- Insert the patented inverted KeyMod screws provided with the mount into the corresponding holes.
- Tighten the screws securely, ensuring the mount is flush against the handguard.
- Verify that the mount is stable and does not move when tested.

2. Usage:

- Attach your QD swivel to the mount by pressing the release lever and inserting the swivel into the mount.
- Release the lever to secure the swivel in place.
- Adjust the swivel to one of the eight positions to suit your preference and ensure it is locked in place.
- Regularly check the mount and swivel for secure attachment before use.

Disposal Instructions

- Dispose of the QD Mount responsibly and in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For further support and inquiries related to safety or product information, please contact the manufacturer directly. Ensure you have the product details ready for efficient assistance.

Thank you for your attention to these safety instructions. Enjoy the use of your QD Mount Arisaka Defense KeyMod safely and responsibly.
