Safety Instruction Guide for SUPERIOR PLATED 38/357 CALIBER BULLETS

Introduction

Thank you for choosing Berry's Superior Plated Bullets. This guide provides essential safety instructions and guidelines to ensure the safe use of these products. Please read this manual carefully and follow the instructions to minimize risks and ensure compliance with European safety regulations.

General Safety Guidelines

- Always handle bullets with care and follow standard safety procedures for ammunition.
- Ensure that you are of legal age to purchase and use ammunition in your country.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Regularly check for updates on product recalls and safety alerts via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only in firearms specifically designed for 38 Caliber (0.357") ammunition.
- Ensure that your firearm is in good working condition before use.
- Wear appropriate personal protective equipment, such as safety glasses and hearing protection, when firing.
- Avoid using bullets that show signs of damage or corrosion.
- Do not exceed the recommended loading specifications:
 - Maximum velocity: 1250 fps
 - Minimum velocity: 800 fps
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Preparation:

- Verify that your firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and equipment before beginning.

2. Loading the Bullets:

- Follow the manufacturer's recommendations for loading.
- Ensure that the bullet is seated properly in the cartridge case.
- Check that the overall length of the cartridge complies with SAAMI specifications:
 - SAAMI MAX 357 MAG COL = 1.590 inches
 - SAAMI MAX 38 SPL COL = 1.550 inches

3. Firing the Bullets:

- Load the ammunition into the firearm's magazine or chamber as per the firearm's manual.
- Ensure the safety is engaged until you are ready to fire.
- Aim at a designated target and ensure that the area is clear of people and obstructions.
- Disengage the safety and fire the weapon only when ready.

4. PostUse:

- After firing, ensure the firearm is unloaded and cleaned according to the manufacturer's instructions.
- Store any remaining bullets in a secure location.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash.
- Contact local authorities or hazardous waste disposal facilities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety of this product, please refer to the appropriate regulatory authorities or the manufacturer's customer support. It is important to have access to the right resources for any safety inquiries.

Thank you for your attention to these safety guidelines. Your safety is our priority.
