AR .308 Pegasus Compensator Safety Instructions

Introduction

Thank you for choosing the Ultradyne AR .308 Pegasus Compensator. This advanced muzzle device is designed to enhance shooting performance by reducing recoil and improving accuracy. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat the compensator as if it is loaded, even when not in use.
- Ensure that the firearm is in good working condition and properly maintained.
- Use only .308/7.62x51 ammunition with this compensator.
- Keep the compensator and firearm out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Do not modify the compensator or attempt to disassemble it.
- Ensure that the compensator is securely mounted before firing.
- Check for any signs of wear or damage before each use. If damaged, do not use the compensator.
- Be cautious of hot gases expelled from the compensator during firing, as they can cause burns.
- Avoid using the compensator in enclosed spaces without proper ventilation.
- Always follow the manufacturer's instructions for the firearm being used with the compensator.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and the action is open.
- Clean the muzzle of the firearm to remove any debris or obstructions.
- Screw the compensator onto the barrel threads (5/824 UNEF2B) by hand until snug.
- Use a timing nut to secure the compensator in place without overtightening.
- Doublecheck the alignment of the compensator before use.

2. Usage:

- Load the firearm with .308/7.62x51 ammunition.
- Aim at a safe target area and ensure no obstructions are in the line of fire.
- Fire the firearm while maintaining a proper grip and stance.
- Observe the compensator's performance and note any unusual behavior or excessive recoil.
- After use, allow the compensator to cool down before handling.

Disposal Instructions

- Dispose of the compensator in accordance with local regulations.
- Do not dispose of the compensator in regular household waste.
- If the compensator is damaged beyond repair, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the AR .308 Pegasus Compensator, please reach out to the designated EU contact point as per the product guidelines. Ensure to have your product details ready for efficient assistance.

By following these safety instructions, you can help ensure a safe and enjoyable shooting experience with your Ultradyn AR .308 Pegasus Compensator. Thank you for your attention to safety.
