Lets You Safely Dry Fire AR-15 Triggers Outside the Gun for Training or Product Demo

AR-15 HIPERTRAIN® TRIGGER DEMONSTRATORS The Hiperfire® Hipertrain™ enables dry firing of any AR-15 trigger system without having it installed in an actual rifle. It helps demonstrate trigger function to students and is a great aid in letting a retail store customer check out the "feel" of a new trigger before buying. The Hipertrain™ is made of lightweight machined aluminum and accepts a pistol grip, hammer/trigger/disconnector assembly, and safety selector just like a standard AR-15 lower receiver. It comes with a rubber hammer-strike bumper already installed to protect the hammer from damage. Features Easily demonstrates trigger function Excellent tool for dry fire practice Sturdy cast-and-machined aluminum construction Type III hardcoat anodized, then Cerakoted in a variety of eye-catching colors Color-code you demonstrators by type of trigger or manufacturer Accepts any small-pin trigger & pistol grip that fit mil-spec AR-15 lower Trigger, pistol grip, and safety selector not included Whether you're a retailer who wants to give customers a full hands-on experience or a shooter who wants to develop better trigger control through dry-fire practice, the Hiperfire® Hipertrain™ gets the job done. Once you give it a try, you won't want to give it up.

Safety Instruction Guide for AR15 HIPERTRAIN® Trigger Demonstrators

Introduction

Thank you for choosing the AR15 HIPERTRAIN® Trigger Demonstrators by HIPERFIRE. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the product and keep it for future reference.

General Safety Guidelines

- Ensure safe use of the product in accordance with the EU General Product Safety Regulation (GPSR).
- Be aware of potential hazards associated with the use of this trigger demonstrator.
- Always supervise children and vulnerable individuals when using this product.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Only use the Hipertrain™ with compatible AR15 trigger systems and components.
- Do not attempt to modify or alter the Hipertrain™ in any way.
- Ensure that the Hipertrain™ is used in a safe environment, free from distractions and hazards.
- Always handle the Hipertrain™ with care to avoid accidental damage or injury.
- Keep the Hipertrain™ out of reach of children and unauthorized users.
- Regularly inspect the Hipertrain™ for any signs of wear or damage before each use.

Instructions for Installation and Usage

1. Installation

- Ensure you have all necessary components: a compatible AR15 trigger system, pistol grip, hammer/trigger/disconnector assembly, and safety selector.
- Attach the pistol grip securely to the Hipertrain™.
- Install the hammer/trigger/disconnector assembly according to the manufacturer's specifications.
- Insert the safety selector in the appropriate position.

2. Usage

- Ensure the Hipertrain™ is in a safe environment before dry firing.
- Familiarize yourself with the trigger function and feel before using it for practice.
- Perform dry firing in a controlled manner, maintaining focus on trigger control.
- Use the rubber hammerstrike bumper to protect the hammer from damage during practice sessions.
- After use, disassemble the components carefully and store them in a safe place.

Disposal Instructions

- Dispose of the Hipertrain™ responsibly in accordance with local regulations.
- Do not dispose of the Hipertrain™ in regular household waste.
- Check with local authorities for specific disposal guidelines for aluminum and other materials used in the product.

Contact Information for Further Support

For any questions or concerns regarding the AR15 HIPERTRAIN® Trigger Demonstrators, please refer to the contact details provided by your retailer or manufacturer. Ensure you have your product information ready when seeking assistance.

By following these safety instructions, you can ensure a safe and effective experience with your AR15 HIPERTRAIN® Trigger Demonstrators. Thank you for your attention to safety and enjoy your training!
