### Lets You Safely Dry Fire AR-15 Triggers Outside the Gun for Training or Product Demo

AR-15 HIPERTRAIN® TRIGGER DEMONSTRATORS The Hiperfire® Hipertrain™ enables dry firing of any AR-15 trigger system without having it installed in an actual rifle. It helps demonstrate trigger function to students and is a great aid in letting a retail store customer check out the "feel" of a new trigger before buying. The Hipertrain™ is made of lightweight machined aluminum and accepts a pistol grip, hammer/trigger/disconnector assembly, and safety selector just like a standard AR-15 lower receiver. It comes with a rubber hammer-strike bumper already installed to protect the hammer from damage. Features Easily demonstrates trigger function Excellent tool for dry fire practice Sturdy cast-and-machined aluminum construction Type III hardcoat anodized, then Cerakoted in a variety of eye-catching colors Color-code you demonstrators by type of trigger or manufacturer Accepts any small-pin trigger & pistol grip that fit mil-spec AR-15 lower Trigger, pistol grip, and safety selector not included Whether you're a retailer who wants to give customers a full hands-on experience or a shooter who wants to develop better trigger control through dry-fire practice, the Hiperfire® Hipertrain™ gets the job done. Once you give it a try, you won't want to give it up.

# Safety Instruction Guide for AR15 HIPERTRAIN® TRIGGER DEMONSTRATOR

## Introduction

Thank you for choosing the AR15 HIPERTRAIN® TRIGGER DEMONSTRATOR. This product is designed to facilitate dry firing practice and demonstrate trigger function without the need to install a trigger in a rifle. Please read this safety instruction guide carefully to ensure safe and effective usage of the product.

## General Safety Guidelines

- Ensure safe use of the HIPERTRAIN® TRIGGER DEMONSTRATOR by following all provided guidelines.
- This product is not a toy. Keep it out of reach of children and vulnerable individuals.
- Always treat the product as if it is loaded, even when it is not.
- Regularly inspect the product for any signs of damage or wear before use.
- In case of any malfunction or damage, discontinue use immediately and consult a qualified professional.

## Specific Safety Precautions for Use

- Only use the HIPERTRAIN® TRIGGER DEMONSTRATOR with compatible AR15 trigger systems.
- Ensure that the trigger, pistol grip, and safety selector are properly installed before use.
- Always use the rubber hammerstrike bumper to protect the hammer from damage during dry firing.
- Do not modify the product in any way. Unauthorized modifications may compromise safety and functionality.
- When demonstrating the trigger function, ensure that all observers are at a safe distance.
- Be aware of your surroundings and ensure that no one is in the line of fire during dry firing exercises.

## Instructions for Installation and Usage

### Installation

1. **Unpack the Product:** Carefully remove the HIPERTRAIN® TRIGGER DEMONSTRATOR from the packaging. Inspect for any visible damage.
2. **Install Pistol Grip:** Attach a compatible pistol grip to the demonstrator.
3. **Install Trigger Assembly:** Insert the hammer/trigger/disconnector assembly into the demonstrator.
4. **Install Safety Selector:** Attach the safety selector to the demonstrator as per standard AR15 lower receiver specifications.
5. **Check Installation:** Ensure all components are securely attached and functioning properly before proceeding to usage.

### Usage

1. **Dry Firing:**
  - Ensure the demonstrator is pointed in a safe direction.
  - With the safety selector in the "fire" position, practice dry firing to demonstrate trigger function.
  - Always engage the safety selector when not actively demonstrating.
2. **Demonstration:**
  - Use the demonstrator to show the trigger function to students or customers.
  - Allow users to feel the trigger mechanism without the risk associated with a live firearm.
3. **Storage:**
  - Store the HIPERTRAIN® TRIGGER DEMONSTRATOR in a secure location when not in use.
  - Keep it away from moisture and extreme temperatures to maintain its integrity.

## **Disposal Instructions**

- Dispose of the HIPERTRAIN® TRIGGER DEMONSTRATOR in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, consult local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's official website or customer service for assistance.

By following these guidelines, you can ensure a safe experience while using the AR15 HIPERTRAIN® TRIGGER DEMONSTRATOR. Thank you for your attention to safety.
