Lets You Safely Dry Fire AR-15 Triggers Outside the Gun for Training or Product Demo

AR-15 HIPERTRAIN® TRIGGER DEMONSTRATORS The Hiperfire® Hipertrain™ enables dry firing of any AR-15 trigger system without having it installed in an actual rifle. It helps demonstrate trigger function to students and is a great aid in letting a retail store customer check out the "feel" of a new trigger before buying. The Hipertrain™ is made of lightweight machined aluminum and accepts a pistol grip, hammer/trigger/disconnector assembly, and safety selector just like a standard AR-15 lower receiver. It comes with a rubber hammer-strike bumper already installed to protect the hammer from damage. Features Easily demonstrates trigger function Excellent tool for dry fire practice Sturdy cast-and-machined aluminum construction Type III hardcoat anodized, then Cerakoted in a variety of eye-catching colors Color-code you demonstrators by type of trigger or manufacturer Accepts any small-pin trigger & pistol grip that fit mil-spec AR-15 lower Trigger, pistol grip, and safety selector not included Whether you're a retailer who wants to give customers a full hands-on experience or a shooter who wants to develop better trigger control through dry-fire practice, the Hiperfire® Hipertrain™ gets the job done. Once you give it a try, you won't want to give it up.

Safety Instruction Guide for AR15 HIPERTRAIN® Trigger Demonstrators

Introduction

Thank you for purchasing the AR15 HIPERTRAIN® Trigger Demonstrator. This product is designed to enhance your understanding of AR15 trigger systems through safe and effective dry firing. This safety instruction guide provides essential information to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat the trigger demonstrator as if it were a loaded firearm.
- Ensure that the area around you is clear of people and objects before using the trigger demonstrator.
- Keep the trigger demonstrator out of reach of children and unauthorized users.
- Inspect the trigger demonstrator for any damage before each use. Do not use if damaged.
- Store the trigger demonstrator in a secure location when not in use.

Specific Safety Precautions for Use

- Do not modify the trigger demonstrator in any way.
- Use only compatible parts designed for the AR15 system.
- Ensure that the rubber hammerstrike bumper is in place before using the demonstrator.
- Never use the trigger demonstrator with live ammunition.
- Always follow the manufacturer's instructions for assembly and usage.

Instructions for Installation and Usage

Installation

1. **Gather Required Parts:** Ensure you have a compatible pistol grip, hammer/trigger/disconnector assembly, and safety selector.
2. **Attach the Pistol Grip:** Secure the pistol grip to the base of the demonstrator.
3. **Install the Hammer/Trigger/Disconnector Assembly:** Insert and secure the assembly as per the manufacturer's guidelines.
4. **Attach the Safety Selector:** Install the safety selector to ensure it functions correctly.

Usage

1. **Dry Fire Practice:** With the trigger demonstrator properly assembled, you can practice dry firing to enhance trigger control.
2. **Demonstration:** Use the demonstrator to showcase trigger function to others without the need for a live firearm.
3. **Safety Check:** Before each session, ensure that the demonstrator is free of any obstructions and that all components are secure.

Disposal Instructions

When the AR15 HIPERTRAIN® Trigger Demonstrator reaches the end of its life or is no longer needed, please dispose of it responsibly. Follow local regulations for the disposal of nonfood products. Consider recycling components when possible.

Contact Information for Further Support

For any questions or concerns regarding the AR15 HIPERTRAIN® Trigger Demonstrator, please consult the manufacturer's customer service resources. Ensure you have the product details available for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your AR15 HIPERTRAIN® Trigger Demonstrator. Thank you for prioritizing safety and compliance.
