Lets You Safely Dry Fire AR-15 Triggers Outside the Gun for Training or Product Demo

AR-15 HIPERTRAIN® TRIGGER DEMONSTRATORS The Hiperfire® Hipertrain™ enables dry firing of any AR-15 trigger system without having it installed in an actual rifle. It helps demonstrate trigger function to students and is a great aid in letting a retail store customer check out the "feel" of a new trigger before buying. The Hipertrain™ is made of lightweight machined aluminum and accepts a pistol grip, hammer/trigger/disconnector assembly, and safety selector just like a standard AR-15 lower receiver. It comes with a rubber hammer-strike bumper already installed to protect the hammer from damage. Features Easily demonstrates trigger function Excellent tool for dry fire practice Sturdy cast-and-machined aluminum construction Type III hardcoat anodized, then Cerakoted in a variety of eye-catching colors Color-code you demonstrators by type of trigger or manufacturer Accepts any small-pin trigger & pistol grip that fit mil-spec AR-15 lower Trigger, pistol grip, and safety selector not included Whether you're a retailer who wants to give customers a full hands-on experience or a shooter who wants to develop better trigger control through dry-fire practice, the Hiperfire® Hipertrain™ gets the job done. Once you give it a try, you won't want to give it up.

AR15 HIPERTRAIN® Trigger Demonstrator Safety Instruction Guide

Introduction

Thank you for choosing the AR15 HIPERTRAIN® Trigger Demonstrator. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your product. The HIPERTRAIN® is designed to enhance your dry fire practice and trigger control without the need for an actual rifle. Please read this guide carefully before using the product.

General Safety Guidelines

- Always treat the HIPERTRAIN® Trigger Demonstrator as if it were a loaded firearm.
- Ensure that the area around you is clear of people and objects that could be harmed during dry fire practice.
- Do not use the demonstrator for any purpose other than intended dry fire practice.
- Keep the demonstrator out of reach of children and unauthorized users.
- Inspect the demonstrator before each use for signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding the use of firearmrelated products.

Specific Safety Precautions for Use

- Ensure that the safety selector is in the "safe" position before handling the demonstrator.
- Always use the demonstrator in a safe and controlled environment.
- Avoid pointing the demonstrator at yourself or others during use.
- Do not modify the demonstrator in any way.
- Use only compatible components (trigger, pistol grip, etc.) that fit milspec AR15 lower receivers.
- If you experience any malfunctions, cease use immediately and consult the troubleshooting section of this guide.

Instructions for Installation and Usage

Installation

1. Gather Required Tools and Components:

- Pistol grip
- Hammer/trigger/disconnector assembly
- Safety selector

2. Assemble the Demonstrator:

- Attach the pistol grip to the demonstrator body.
- Install the hammer/trigger/disconnector assembly as per manufacturer instructions.
- Secure the safety selector in place.

3. Check the Setup:

- Ensure all components are properly installed and secured.
- Verify that the rubber hammerstrike bumper is correctly positioned to protect the hammer.

Usage

1. Prepare for Dry Fire Practice:

- Ensure that the demonstrator is set up correctly.
- Verify that the area is clear and safe for practice.

2. Engage the Trigger:

- With the safety selector in the "safe" position, practice engaging the trigger.
- Shift the safety selector to the "fire" position when ready to practice trigger control.

3. Dry Fire Practice:

- Focus on your trigger control and followthrough.
- Repeat the practice as needed, ensuring to maintain proper safety protocols throughout.

Disposal Instructions

When the AR15 HIPERTRAIN® Trigger Demonstrator reaches the end of its life or is no longer usable, follow these steps for proper disposal:

- Check local regulations for disposal of firearmrelated products.
- If the demonstrator is damaged, ensure it is disposed of in a way that prevents unauthorized use.
- Recycle materials where applicable, such as metal and plastic components.

Contact Information for Further Support

For any inquiries or support regarding the AR15 HIPERTRAIN® Trigger Demonstrator, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website for additional resources.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your AR15 HIPERTRAIN® Trigger Demonstrator. Enjoy your practice and enhance your shooting skills responsibly!
