Lets You Safely Dry Fire AR-15 Triggers Outside the Gun for Training or Product Demo

AR-15 HIPERTRAIN® TRIGGER DEMONSTRATORS The Hiperfire® Hipertrain™ enables dry firing of any AR-15 trigger system without having it installed in an actual rifle. It helps demonstrate trigger function to students and is a great aid in letting a retail store customer check out the "feel" of a new trigger before buying. The Hipertrain™ is made of lightweight machined aluminum and accepts a pistol grip, hammer/trigger/disconnector assembly, and safety selector just like a standard AR-15 lower receiver. It comes with a rubber hammer-strike bumper already installed to protect the hammer from damage. Features Easily demonstrates trigger function Excellent tool for dry fire practice Sturdy cast-and-machined aluminum construction Type III hardcoat anodized, then Cerakoted in a variety of eye-catching colors Color-code you demonstrators by type of trigger or manufacturer Accepts any small-pin trigger & pistol grip that fit mil-spec AR-15 lower Trigger, pistol grip, and safety selector not included Whether you're a retailer who wants to give customers a full hands-on experience or a shooter who wants to develop better trigger control through dry-fire practice, the Hiperfire® Hipertrain™ gets the job done. Once you give it a try, you won't want to give it up.

Attributes

- Name: [HIPERFIRE AR-15/10 HIPERTRAIN® TRIGGER DEMONSTRATOR MEDIUM GRAY](#)
- Manufacturer: [HIPERFIRE](#)
- Product no.: 100029430

Safety Instruction Guide for AR15 HIPERTRAIN® Trigger Demonstrators

Introduction

Thank you for choosing the AR15 HIPERTRAIN® Trigger Demonstrator. This guide provides essential safety instructions and guidelines to ensure safe and effective use of this product. Please read and follow these instructions carefully to maximize your experience and minimize any risks associated with its use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a trigger demonstration tool.
- Always handle the product with care to prevent damage or injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Always ensure that the Hipertrain™ is not installed on a live firearm when practicing dry firing.
- Use only compatible components (pistol grip, hammer/trigger/disconnector assembly, and safety selector) that meet milspec AR15 standards.
- Do not modify the Hipertrain™ or use it with incompatible parts, as this may lead to malfunction or injury.
- Avoid using the product in wet or damp conditions to prevent corrosion and ensure optimal performance.
- Do not leave the product unattended while in use, especially around children or pets.

Instructions for Installation and Usage

1. Assembly:

- Ensure you have the following components: Hipertrain™, pistol grip, hammer/trigger/disconnector assembly, and safety selector.
- Attach the pistol grip to the Hipertrain™ according to the manufacturer's specifications.
- Install the hammer/trigger/disconnector assembly into the Hipertrain™. Ensure it is securely in place.
- Insert the safety selector into the designated slot on the Hipertrain™.

2. Dry Firing:

- Ensure the Hipertrain™ is in a safe environment for dry firing practice.
- Practice trigger pulls without any live ammunition present.
- Use the rubber hammerstrike bumper to protect the hammer from damage during practice.

3. Storage:

- Store the Hipertrain™ in a cool, dry place when not in use.
- Keep the product in its original packaging or a designated storage container to prevent damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and metal products.
- Do not dispose of the product in regular household waste.

- If you are unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any inquiries regarding the safety and usage of the AR15 HIPERTRAIN® Trigger Demonstrator, please refer to the product packaging or manufacturer's website for the appropriate contact information.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your AR15 HIPERTRAIN® Trigger Demonstrator. Thank you for your attention to safety.
