## AR-15/10 HIPERTRAIN® TRIGGER DEMONSTRATOR ORANGE

[Gunsmith Tools](#) > [Rifle Tools](#) > [Trigger Tools](#)

**Lets You Safely Dry Fire AR-15 Triggers Outside the Gun for Training or Product Demo**

**AR-15 HIPERTRAIN® TRIGGER DEMONSTRATORS** The Hiperfire® Hipertrain™ enables dry firing of any AR-15 trigger system without having it installed in an actual rifle. It helps demonstrate trigger function to students and is a great aid in letting a retail store customer check out the "feel" of a new trigger before buying. The Hipertrain™ is made of lightweight machined aluminum and accepts a pistol grip, hammer/trigger/disconnector assembly, and safety selector just like a standard AR-15 lower receiver. It comes with a rubber hammer-strike bumper already installed to protect the hammer from damage.

**Features** Easily demonstrates trigger function Excellent tool for dry fire practice Sturdy cast-and-machined aluminum construction Type III hardcoat anodized, then Cerakoted in a variety of eye-catching colors Color-code you demonstrators by type of trigger or manufacturer Accepts any small-pin trigger & pistol grip that fit mil-spec AR-15 lower Trigger, pistol grip, and safety selector not included Whether you're a retailer who wants to give customers a full hands-on experience or a shooter who wants to develop better trigger control through dry-fire practice, the Hiperfire® Hipertrain™ gets the job done. Once you give it a try, you won't want to give it up.

## Safety Instructions

### Introduction

Thank you for purchasing the AR15 HIPERTRAIN® Trigger Demonstrator. This product is designed to enhance your understanding of AR15 trigger systems through safe dry firing practices. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

### General Safety Guidelines

- Always treat the product as if it were a loaded firearm.
- Ensure that the area is clear of people and obstacles before using the trigger demonstrator.
- Never use the trigger demonstrator with live ammunition.
- Always follow the manufacturer's instructions for use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.

### Specific Safety Precautions for Use

- **Dry Firing Only:** The Hipertrain™ is designed solely for dry firing. Do not attempt to use it with live ammunition.
- **Inspect Before Use:** Always inspect the product for any signs of wear or damage before use. Do not use if damaged.
- **Proper Handling:** Handle the trigger demonstrator with care to avoid accidental discharge. Always keep your finger off the trigger until ready to fire.
- **Use in a Safe Environment:** Use the trigger demonstrator in a controlled environment where you can focus on safety.
- **Follow Local Laws:** Ensure compliance with local laws regarding the use of firearm accessories.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure the product is on a stable surface.
- Insert the pistol grip, hammer/trigger/disconnector assembly, and safety selector into the Hipertrain™ as per the standard AR15 lower receiver setup.
- Confirm that all components are securely attached before use.

#### 2. Usage:

- Ensure the area is safe and free from distractions.
- Hold the trigger demonstrator firmly with both hands.
- Practice pulling the trigger in a controlled manner.
- Use the rubber hammerstrike bumper to minimize noise and protect the hammer from damage.
- After practice, disassemble the components and store them safely.

### Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond repair, do not attempt to fix it. Dispose of it responsibly to prevent environmental harm.

## **Contact Information for Further Support**

For any safety inquiries, please refer to the manufacturer's website or customer service for assistance. Ensure you have your product details at hand for a quicker response.

## **Conclusion**

The AR15 HIPERTRAIN® Trigger Demonstrator is an excellent tool for learning and practicing trigger control. By following these safety instructions, you can ensure a safe and effective experience. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these important guidelines.
