Lets You Safely Dry Fire AR-15 Triggers Outside the Gun for Training or Product Demo

AR-15 HIPERTRAIN® TRIGGER DEMONSTRATORS The Hiperfire® Hipertrain™ enables dry firing of any AR-15 trigger system without having it installed in an actual rifle. It helps demonstrate trigger function to students and is a great aid in letting a retail store customer check out the "feel" of a new trigger before buying. The Hipertrain™ is made of lightweight machined aluminum and accepts a pistol grip, hammer/trigger/disconnector assembly, and safety selector just like a standard AR-15 lower receiver. It comes with a rubber hammer-strike bumper already installed to protect the hammer from damage. Features Easily demonstrates trigger function Excellent tool for dry fire practice Sturdy cast-and-machined aluminum construction Type III hardcoat anodized, then Cerakoted in a variety of eye-catching colors Color-code you demonstrators by type of trigger or manufacturer Accepts any small-pin trigger & pistol grip that fit mil-spec AR-15 lower Trigger, pistol grip, and safety selector not included Whether you're a retailer who wants to give customers a full hands-on experience or a shooter who wants to develop better trigger control through dry-fire practice, the Hiperfire® Hipertrain™ gets the job done. Once you give it a try, you won't want to give it up.

Safety Instruction Guide for AR15 HIPERTRAIN® TRIGGER DEMONSTRATORS

Introduction

Thank you for choosing the AR15 HIPERTRAIN® TRIGGER DEMONSTRATOR. This product is designed to allow safe dry firing of AR15 trigger systems without installation in a rifle. It is an excellent tool for both retailers and individual users to understand trigger function and improve trigger control through practice. Please read this safety instruction guide carefully to ensure safe and effective use.

General Safety Guidelines

- Always treat every firearm and firearm accessory as if it is loaded, even when it is not.
- Ensure that the area is clear of people and obstacles before using the trigger demonstrator.
- Keep the trigger demonstrator out of reach of children and unauthorized users.
- Regularly inspect the demonstrator for any signs of wear or damage before use.
- If you notice any damage, do not use the product and contact your retailer for assistance.
- Follow all local laws and regulations regarding the use of firearm accessories.

Specific Safety Precautions for Use

- Use the demonstrator only in a safe environment, such as a designated practice area.
- Do not modify the demonstrator or use it in ways not intended by the manufacturer.
- Ensure that the hammerstrike bumper is properly installed before use to prevent damage.
- When demonstrating trigger function, avoid placing your finger on the trigger until ready to engage.
- Always wear appropriate eye protection when using the demonstrator.
- Do not use the demonstrator with incompatible parts; ensure that all components are suitable for use.

Instructions for Installation and Usage

1. Assemble the Demonstrator:

- Attach a compatible pistol grip to the demonstrator.
- Install the hammer/trigger/disconnector assembly as per the manufacturer's instructions.
- Ensure the safety selector is in the correct position.

2. Using the Demonstrator:

- Place the demonstrator in a safe and stable position.
- Ensure the area is clear and free from obstructions.
- With your finger off the trigger, engage the safety selector to the "safe" position.
- When ready to demonstrate trigger function, disengage the safety selector.
- Practice dry firing while maintaining proper trigger control.

3. PostUse:

- After use, reengage the safety selector to the "safe" position.
- Store the demonstrator in a secure location, away from children and unauthorized users.

Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- If the product is damaged or no longer usable, consider recycling materials where possible.

- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries or concerns regarding the AR15 HIPERTRAIN® TRIGGER DEMONSTRATOR, please reach out to your retailer or consult the manufacturer's website for additional resources.

By following these guidelines and instructions, you can ensure safe and effective use of the AR15 HIPERTRAIN® TRIGGER DEMONSTRATOR. Thank you for your attention to safety.
