

PRO PLUS MAGWELL FOR GLOCK® GEN 5 - ZEV TECHNOLOGIES

PRO PLUS MAGWELL, GEN 5

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Wells](#)

Enhance Your Reload Time

For competitive shooters looking to enhance their reload time and up the aesthetics of their competition pistol, the ZEV Technologies Glock Gen 5 PRO Plus Magwell is a must-have component. This unique component, machined entirely from 6061 aluminum, is built to attach easily to your go-to gun. Attaching to the pistol frame with a single screw, the ZEV Technologies PRO Plus Magwell is compatible with all standard-capacity Glock OEM magazines and functions well with ZEV's magazine extensions as well. A hole located at the rear of the magazine well allows for the use of lanyards, if desired. Each ZEV Technologies PRO Plus Magwell is treated with an all-black anodized finish, and a mounting screw and wrench is included. For those using backstraps to fill their hand, slight modifications may be required. Works on Glock 17/34 Gen 5 only. Will NOT work on Glock 19/19x.

PRO PLUS MAGWELL FOR GLOCK® GEN 5 Safety Instruction Guide

Introduction

Thank you for choosing the ZEV Technologies PRO Plus Magwell for your Glock Gen 5. This guide provides essential safety instructions to ensure the safe and effective use of this component. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the magwell for any signs of wear or damage.
- Do not use the magwell if it is damaged or if any parts are missing.
- Follow all local laws and regulations regarding firearm modifications.

Specific Safety Precautions for Use

- Use only standard capacity Glock OEM magazines with the magwell.
- Ensure that the magwell is securely attached to the pistol frame before use.
- Avoid using the magwell with Glock models other than 17 and 34 Gen 5.
- If using backstraps, be aware that slight modifications may be required for proper fit.
- Do not attempt to modify the magwell or the firearm in any way that could compromise safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Use the included mounting screw and wrench to attach the magwell to the pistol frame.
- Tighten the screw securely but do not overtighten to avoid damage.
- Verify that the magwell is firmly attached and does not wobble.

2. Usage:

- Practice reloading with the magwell to familiarize yourself with its function.
- Use the magwell to enhance your reload speed during competitive shooting.
- If using lanyards, attach them to the hole located at the rear of the magazine well.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the magwell is damaged, do not attempt to repair it. Instead, dispose of it responsibly.
- Recycle materials where applicable.

Contact Information for Further Support

For any questions or concerns regarding the ZEV Technologies PRO Plus Magwell, please refer to the contact information provided by the retailer or manufacturer.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your ZEV Technologies PRO Plus Magwell. Always prioritize safety and compliance with local laws during use. Thank you for your attention to these important guidelines.
