

AICS, ARC MAGAZINE EXTENSION - AREA 419 ARC/AICS MAG EXTENSION RED

[Magazines](#) > [Rifle Magazines](#) > [Magazine Parts](#) > [Magazine Floor Plates & Extensions](#)

Provides Reliable, Common-Sense Mag-Extension Design

In examining other magazine extensions on the market, engineers at Area 419 noticed that many of them were simply rectangular extensions that didn't fit the natural curve of the magazine. They've solved this issue with the Area 419 AICS, ARC Magazine Extension. The Area 419 AICS, ARC Magazine Extension is cut with an attachment point that matches the angle at which the magazine curves. This ensures that rounds contained in the magazine travel straight into the extension without any kind of binding or other obstacle. Additionally, the extension features exterior fluting that provides added grip for quick magazine changes. Available in black, blue, gunmetal gray, raw or red colors ARC, AICS and Accurate magazines receive room for up to 5 more rounds Accurate WSM magazines receive room for an added 3 rounds Each Area 419 AICS, ARC Magazine Extension are compatible with a number of AICS or Accurate Mag magazines on the market designed for standard bolt-face calibers or SAUM/WSM magazines.

Safety Instruction Guide for Area 419 AICS, ARC Magazine Extension

Introduction

Thank you for choosing the Area 419 AICS, ARC Magazine Extension. This guide provides important safety instructions and usage recommendations to ensure your safety and the proper functioning of the product. Please read this guide carefully before using the magazine extension.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the magazine extension by following all instructions. This product is designed for use with AICS or Accurate magazines and should not be used with incompatible products.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If a recall occurs, you will be provided with instructions for returning the product and receiving a remedy.
- **Online Shopping:** If purchased online, ensure that the seller meets safety requirements. Always verify that the product is genuine and has not been tampered with.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors to prevent any accidents or misuse.
- **EU Contact Point:** For any safety inquiries, please consult the appropriate EU contact points available for consumer safety.
- **Rapid Alerts:** Be aware of the EU's Safety Gate system, which provides updates on unsafe products. Regularly check for any alerts that may affect your product.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the magazine extension is compatible with your specific AICS or Accurate magazine model.
- **Inspection:** Before each use, inspect the magazine extension for any signs of damage or wear. Do not use if damaged.
- **Proper Handling:** Handle the magazine extension with care. Avoid dropping or exposing it to extreme conditions that may affect its integrity.
- **Loading:** Follow the manufacturer's guidelines for loading ammunition into the magazine. Ensure that rounds are seated properly to prevent jams.
- **Storage:** Store the magazine extension in a cool, dry place away from direct sunlight and moisture.
- **Cleaning:** Regularly clean the magazine extension as per the manufacturer's instructions to maintain functionality and safety.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction before beginning installation.
- Align the magazine extension with the magazine's attachment point.
- Firmly press the extension onto the magazine until it clicks into place. Ensure it is securely attached before use.

2. Usage:

- Load the magazine with the appropriate ammunition, ensuring that it does not exceed the recommended capacity.
- Insert the magazine into the firearm, ensuring it is seated properly.
- Test the magazine for proper feeding by cycling the action of the firearm without live ammunition.

first.

3. Safety Check:

- After installation, perform a safety check to ensure that all components are functioning correctly.
- Always follow safe handling practices when using the firearm with the magazine extension attached.

Disposal Instructions

- Dispose of the magazine extension in accordance with local regulations for plastic and metal waste.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for specific disposal guidelines.

Contact Information for Further Support
