

## 22 CALIBER (0.224") 70GR ACCUBOND SPITZER BULLETS - NOSLER

## 22 CALIBER (0.224") 70GR ACCUBOND SPITZER 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

### Weight Retention & Deep Penetration

Nosler Accubond 22 caliber 70-grain spitzer bullets are built with a proprietary bonding process that eliminates voids in the bullet core. AccuBond marries Nosler's traditional copper alloy jacket with its special lead alloy core. Brand Style: Accubond Bullet Style: Spitzer Caliber: 22 Bullet Diameter: 0.224" Bullet Weight: 70 50 count box. The polymer tip improves accuracy and ballistic performance. The result is a hunting bullet that flies true, penetrates deep, retains its weight and won't cause extensive fouling.

# Safety Instruction Guide for Nosler 22 Caliber (0.224") 70GR Accubond Spitzer Bullets

## Introduction

Thank you for choosing Nosler 22 Caliber (0.224") 70GR Accubond Spitzer Bullets. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow these guidelines carefully to minimize risks associated with handling and using ammunition.

## General Safety Guidelines

- Always treat all ammunition as if it is live and ready to fire.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Ensure that your firearm is compatible with 22 caliber ammunition before use.
- Regularly inspect your ammunition for signs of damage or corrosion before use.
- Follow all local laws and regulations regarding ammunition possession and use.

## Specific Safety Precautions for Use

- Use only in firearms specifically designed for 22 caliber ammunition.
- Do not exceed the recommended load specifications provided by the firearm manufacturer.
- Wear appropriate eye and ear protection when firing.
- Ensure that the firing area is clear of obstructions and bystanders.
- Be aware of your target and what lies beyond it.
- Do not attempt to modify the bullets or their components in any way.
- If a bullet fails to fire, wait at least 30 seconds before attempting to remove it from the chamber.

## Instructions for Installation and Usage

- Ensure that the firearm is unloaded before inserting ammunition.
- Load bullets according to the manufacturer's instructions for your specific firearm.
- Follow these steps for safe loading:
  - Open the action of the firearm.
  - Insert the bullet into the chamber or magazine as directed by the firearm's manual.
  - Close the action securely before firing.
- When ready to fire, ensure that you are in a safe shooting position.
- Squeeze the trigger gently to fire the bullet, maintaining control of the firearm throughout the process.

## Disposal Instructions

- Do not dispose of unused or damaged ammunition in regular household waste.
- Contact local authorities or a licensed firearms dealer for proper disposal methods.
- Ensure that disposed ammunition is rendered safe to prevent accidental discharge.

## Contact Information for Further Support

For any safety inquiries or concerns regarding Nosler 22 Caliber (0.224") 70GR Accubond Spitzer Bullets, please consult the manufacturer's website or contact their customer support.

## **Conclusion**

Following these safety instructions will help ensure a safe and enjoyable experience with your Nosler 22 Caliber (0.224") 70GR Accubond Spitzer Bullets. Always prioritize safety and adhere to local laws and regulations when using ammunition. Thank you for your attention to these important guidelines.
