# Safety Instruction Guide for Nosler 30 Caliber (0.308") 110GR ETip Lead Free Spitzer Bullets

## Introduction

Thank you for choosing Nosler 30 Caliber (0.308") 110GR ETip Lead Free Spitzer Bullets. This guide is designed to provide you with essential safety information to ensure the safe use and handling of this product. Please read and follow these instructions carefully to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that you are familiar with the legal regulations regarding the use of ammunition in your area, especially in nonlead zones.
- Keep this product out of reach of children and unauthorized users.
- Always store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Inspect the bullets for any signs of damage before use. Do not use damaged bullets.
- Use appropriate protective gear, including eye and ear protection, when handling and firing ammunition.
- Follow all local laws and regulations regarding the use and transportation of ammunition.

## Specific Safety Precautions for Use

- Only use these bullets in firearms that are specifically chambered for .30 caliber (0.308") ammunition.
- Ensure that your firearm is in good working condition and has been properly maintained.
- Do not exceed the recommended load specifications provided by your firearm manufacturer.
- Avoid using these bullets in firearms that have been modified or are not in compliance with safety standards.
- Be aware of your surroundings when firing. Ensure that there is a safe backstop and that no people or animals are in the vicinity.
- Do not handle ammunition in conditions that could lead to distractions, such as poor lighting or adverse weather.

## Instructions for Installation and Usage

### 1. Preparation:

- Before loading your firearm, ensure it is pointed in a safe direction.
- Check that the firearm is unloaded and free of any obstructions.

### 2. Loading the Bullets:

- Carefully insert the Nosler 30 Caliber bullets into the magazine or chamber according to the manufacturer's instructions for your specific firearm.
- Ensure that the bullets are seated properly to avoid misfires or jams.

### 3. Firing:

- Once loaded, engage the safety mechanism of your firearm until you are ready to shoot.
- Aim at your target and ensure that your shooting area is clear.
- Disengage the safety and pull the trigger smoothly to fire the bullet.

### 4. PostFiring:

- After firing, keep the firearm pointed in a safe direction and wait for a few moments to ensure there are no hangfires.
- Reload only when you are confident that it is safe to do so.

## **Disposal Instructions**

- Dispose of used or damaged bullets in accordance with local regulations regarding hazardous waste.
- Do not discard bullets in regular trash.
- Contact your local waste management facility for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any safety inquiries, concerns, or to report unsafe products, please reach out to your local authorities or consumer safety organizations. It is essential to stay informed about any recalls or safety alerts related to ammunition products.

By following these safety instructions and guidelines, you can enjoy the superior performance of Nosler 30 Caliber (0.308") 110GR ETip Lead Free Spitzer Bullets while ensuring your safety and that of others. Thank you for your attention to safety!
