

PERFECT DOT TRITIUM NIGHT SIGHTS FOR CANIK - CANIK TP9SF ELITE ORANGE FRONT & BLACK SQUARE NOTCH REAR

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Nearly One-Third Brighter Than Standard Night Sights!

Night Fision's Perfect Dot sights for Canik TP9-series pistols feature design upgrades that make them brighter, more vivid, and more durable than traditional night sights. Like all night sights, Perfect Dots use self-illuminating Tritium to get the "always on" glow that makes them so effective. The difference is PDs have 30% MORE Tritium in them, so they are unusually bright. And the bold front sight draws the eye, encouraging fast, instinctive "Front Sight Focus" to keep your eyes on the target. The Tritium insert isn't surrounded by a painted-on ring, but rather one made of a daylight fluorescing material that produces optimum visibility in daylight. The result is what the Night Fision folks call the "Perfect Dot". Provides maximum visibility in both nighttime AND daylight conditions, so when the pressure is on, you'll locate your Canik TP9's sights quickly - and get them on target fast. Robust machined 4140 steel sight bodies - far stronger than the factory plastic Matte black Nitride finish - excellent wear- and corrosion-resistance Tritium vial has extra protection from knocks & dings Variety of front dot colors & rear notch configurations to choose from (see below) Sold as front/rear pairs only We are offering Perfect Dot sights to fit TP9SFL / TP9SFX pistols in the factory heights. A separate model fits TP9SA / TP9SF / TP9SF Elite Canik pistols. Options include a choice of Square or U-shaped rear notch in plain Black (no inserts) or with Tritium dots (Clear) on either side of notch. Front dot options include a choice of Orange or Yellow outline around the Tritium dot. Read the listings below carefully before ordering. With so many options available, you can fit your Canik TP9 with a "Perfect Dot" night sight configuration that's... perfect for you.

Safety Instruction Guide for PERFECT DOT TRITIUM NIGHT SIGHTS FOR CANIK TP9SF ELITE

Introduction

Thank you for choosing the Perfect Dot Tritium Night Sight for your Canik TP9series pistol. These night sights are designed to enhance your shooting experience by providing superior visibility in both lowlight and daylight conditions. To ensure safe and effective use of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that your firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store your firearm and night sights securely to prevent unauthorized access, especially by children.
- Regularly inspect your night sights for any signs of damage or wear.
- If you notice any issues with the night sights, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- Ensure proper installation of the night sights to avoid misalignment.
- Do not attempt to modify or disassemble the night sights.
- Use the night sights only for their intended purpose – as aiming devices for firearms.
- Avoid exposing the night sights to extreme temperatures or harsh chemicals.
- If you are unsure about the installation or use of the night sights, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing sights from your Canik TP9series pistol.
- Align the Perfect Dot night sights with the mounting points on your firearm.
- Secure the sights according to the manufacturer's instructions, ensuring they are firmly in place.
- Verify the alignment of the sights before use.

2. Usage:

- Familiarize yourself with the sight picture by practicing in a safe environment.
- Use the bold front sight for quick target acquisition.
- Maintain focus on the front sight while aiming at your target.
- Regularly practice with your night sights to enhance your shooting accuracy.

Disposal Instructions

- Dispose of any damaged or worn night sights in accordance with local regulations.
- Do not dispose of night sights in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the Perfect Dot Tritium Night Sights, please refer to the manufacturer's contact information provided with your purchase.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of your Perfect Dot Tritium Night Sights. Always prioritize safety when handling firearms and seek professional assistance when needed. Thank you for your attention to these important safety measures.
