

# PERFECT DOT TRITIUM NIGHT SIGHTS FOR CANIK - CANIK TP9SF ELITE/TP9SA YELLOW FRONT & BLACK U NOTCH REAR

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

## Nearly One-Third Brighter Than Standard Night Sights!

Night Fision's Perfect Dot sights for Canik TP9-series pistols feature design upgrades that make them brighter, more vivid, and more durable than traditional night sights. Like all night sights, Perfect Dots use self-illuminating Tritium to get the "always on" glow that makes them so effective. The difference is PDs have 30% MORE Tritium in them, so they are unusually bright. And the bold front sight draws the eye, encouraging fast, instinctive "Front Sight Focus" to keep your eyes on the target. The Tritium insert isn't surrounded by a painted-on ring, but rather one made of a daylight fluorescing material that produces optimum visibility in daylight. The result is what the Night Fision folks call the "Perfect Dot". Provides maximum visibility in both nighttime AND daylight conditions, so when the pressure is on, you'll locate your Canik TP9's sights quickly - and get them on target fast. Robust machined 4140 steel sight bodies - far stronger than the factory plastic Matte black Nitride finish - excellent wear- and corrosion-resistance Tritium vial has extra protection from knocks & dings Variety of front dot colors & rear notch configurations to choose from (see below) Sold as front/rear pairs only We are offering Perfect Dot sights to fit TP9SFL / TP9SFX pistols in the factory heights. A separate model fits TP9SA / TP9SF / TP9SF Elite Canik pistols. Options include a choice of Square or U-shaped rear notch in plain Black (no inserts) or with Tritium dots (Clear) on either side of notch. Front dot options include a choice of Orange or Yellow outline around the Tritium dot. Read the listings below carefully before ordering. With so many options available, you can fit your Canik TP9 with a "Perfect Dot" night sight configuration that's... perfect for you.

# Safety Instruction Guide for PERFECT DOT TRITIUM NIGHT SIGHTS FOR CANIK TP9SF ELITE/TP9SA

## Introduction

Thank you for choosing Night Fision's Perfect Dot Tritium Night Sights for your Canik TP9series pistol. This guide provides essential safety instructions to ensure the safe use and installation of your night sights. Please read this manual carefully before use to understand how to maximize safety and performance.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the night sights by following all instructions provided.
- **Hazard Awareness:** Familiarize yourself with potential hazards associated with improper installation or use.
- **Enhanced Recalls:** Be aware of standardized recall notices and remedies for any dangerous products.
- **Online Shopping Safety:** If purchased online, ensure the platform meets safety requirements.
- **Vulnerable Groups:** Extra caution is advised for individuals who may be vulnerable, including children.
- **EU Contact Point:** For safety inquiries, ensure you have access to an EUbased contact point.
- **Rapid Alerts:** Stay informed about unsafe products through the EU Safety Gate system.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Ensure that the firearm is unloaded before beginning installation.
  - Use appropriate tools and follow the installation instructions carefully to avoid damage or injury.
- **Handling Safety:**
  - Always treat your firearm as if it is loaded.
  - Keep the firearm pointed in a safe direction at all times.
- **Visibility:**
  - Ensure that the night sights are properly aligned and visible before using the firearm in lowlight conditions.
- **Maintenance:**
  - Regularly inspect the night sights for any signs of wear or damage.
  - Replace any damaged components immediately to maintain safety.
- **Storage:**
  - Store the firearm in a secure location, out of reach of children and unauthorized users.

## Instructions for Installation and Usage

### Installation Instructions

1. **Prepare Your Firearm:**

- Ensure your Canik TP9series pistol is unloaded and pointed in a safe direction.

## **2. Remove Old Sights:**

- If replacing existing sights, carefully remove them using appropriate tools. Follow the manufacturer's instructions for your specific model.

## **3. Install Perfect Dot Sights:**

- Align the new Perfect Dot sights with the sight dovetail on your pistol.
- Gently press or tap the sights into place ensuring they are secure.

## **4. Check Alignment:**

- Visually inspect the sights to confirm they are aligned correctly.
- Make any necessary adjustments before use.

## **5. Final Inspection:**

- Confirm that the sights are firmly in place and there is no movement when applying light pressure.

# **Usage Instructions**

### **• Target Acquisition:**

- Utilize the bold front sight for fast target acquisition in both lowlight and daylight conditions.

### **• Focus Technique:**

- Practice "Front Sight Focus" to improve accuracy and maintain awareness of your target.

### **• Regular Practice:**

- Regularly practice with your night sights to become familiar with their capabilities and improve your shooting skills.

# **Disposal Instructions**

### **• Disposal of Old Sights:**

- If replacing old sights, dispose of them according to local regulations. Many areas have specific guidelines for disposing of firearm components.

### **• Environmental Considerations:**

- Do not dispose of the product in regular household waste. Check for local recycling programs or hazardous waste facilities that accept firearm components.

# **Contact Information for Further Support**

For any questions or concerns regarding safety, installation, or usage of your Perfect Dot Tritium Night Sights, please refer to the manufacturer's website or contact your local dealer for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Perfect Dot Tritium Night Sights. Thank you for prioritizing safety and responsible firearm use.
