# AR15 ATHENA LINEAR COMPENSATOR Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 Athena Linear Compensator. This guide provides essential safety instructions and recommendations to ensure the safe and effective use of this product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this guide.
- Always follow local laws and regulations regarding the use of firearm accessories.
- Inspect the product before each use for any signs of damage or wear.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to malfunction or injury.
- Use of the compensator with incompatible firearms may cause damage.
- Always ensure that the firearm is unloaded before installation or maintenance.

- **Avoiding Hazards:**

- Follow installation instructions carefully.
- Use only compatible firearms and components.
- Wear appropriate safety gear, such as eye protection, when using the firearm.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18.
- Ensure that users are adequately trained in firearm safety and operation.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the barrel threads to remove any debris or residue.
- Align the Athena Linear Compensator with the barrel threads ( $\frac{1}{2}$ 28).
- Handtighten the compensator onto the barrel until secure.
- Use a shrouded timing nut to ensure proper alignment and secure fit.

### 2. Usage:

- Always verify that the compensator is securely attached before firing.
- Fire the firearm in a safe and controlled environment.
- Monitor the performance of the compensator during use; if any unusual sounds or movements are noted, cease use immediately.

### **3. Maintenance:**

- Regularly inspect the compensator for signs of wear or damage.
- Clean the compensator periodically to maintain performance and appearance.
- Consult a qualified gunsmith for any repairs or modifications.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for metal and firearm accessories.
- Do not dispose of the product in regular household waste.
- Consider recycling options for stainless steel components.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 Athena Linear Compensator, please refer to the manufacturer's contact information found on the product packaging or official website.
