Serious About Long-Range Rifles? Wear This & Let Everybody Know

How 'bout some love for the ol' bolt action? Bolt gun fans will tell you their rifles don't need big magazines or fast-cycling semi-auto actions because they're so accurate they hit the target on the first shot. We were going to put that on our Brownells / Grunt Style bolt gun t-shirt, but it's too long, so we went with "Smithin' Ain't Easy". Like all our Grunt Style tees, this shirt is constructed of super-soft cotton to keep you comfortable all day, with a crew neck that won't droop or try to strangle you. On the back we put a "distressed" image of a bolt rifle at work and an array of classic Brownells tools (oh, yes, there's a Magna-Tip set!), along with the motto. On the front, the Brownells logo at the upper left (over the wearer's heart, of course), an American flag on the right sleeve, and the Grunt Style logo on the left sleeve subtly tell the world where your loyalties lie. Premium-quality cotton fabric is cool in summer & provides a layer of insulation next to the skin in the winter. Durable double-needle stitching. Itch-free tagless crew neck label enhances comfort. Long-lasting screen-printed graphics. Sizes Small thru 3X-Large available. The Brownell's Grunt Style Bolt Action 'Smithing Ain't Easy' shirt is available in sizes from Small to 3X-Large, so bolt rifle / Brownells / Grunt Style fans of ANY stature are sure to get a perfect fit.
