

# AR-15 PELICAN 1720 GUN CASE FOAM INSERTS - GUNFORMZ AR-15 PELICAN 1720 V3 BOTTOM LAYER FOAM INSERT

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Storage Accessories](#)

## Protects Guns & Accessories from Scratches, Dings & Damage During Transit

Eaton Tactical Innovations Gunformz replace the foam inserts in your Pelican 1720 case, protecting your guns and other accessories from scratches and damage by keeping them separated and cushioned. Made from two-pound, single layer, closed-cell polyethylene foam that won't crush or deform, these inserts are CNC waterjet cut for a clean, precise edge not achievable with hand-cutting or using Pick 'N Pluck foams. Top layers are cut for fit AR-15s and includes cuts for accessory compartments. Bottom layers are organizers for AR-15 magazines and accessories. P1720 V3 - top Layer fits AR-15 up to 20" barrel. Comes with cut out for two Glock® compact or full size pistols (easily modified for other models). Bottom layer includes cuts for two Glock® pistols. The Eaton Tactical Innovations Gunformz rifle case inserts fit most standard accessories including magazines, ammunition boxes, bi-pods, optics, batteries, shoulder straps, lights, and more!

# Safety Instruction Guide for AR15 Pelican 1720 Gun Case Foam Inserts

## Introduction

Thank you for choosing the AR15 Pelican 1720 Gun Case Foam Inserts by Eaton Tactical Innovations. This product is designed to provide optimal protection for your firearms and accessories. To ensure safe and effective use, please read this safety instruction guide carefully. It outlines general safety guidelines, specific precautions, installation instructions, and disposal information.

## General Safety Guidelines

- Always ensure that the gun case is closed and securely locked when not in use.
- Keep the gun case out of reach of children and unauthorized users.
- Regularly inspect the foam inserts for any signs of wear or damage.
- Do not overload the gun case beyond its capacity.
- Avoid exposure to extreme temperatures, moisture, and direct sunlight to maintain the integrity of the foam.
- Use only compatible accessories and firearms as specified in this guide.

## Specific Safety Precautions for Use

- Ensure that all firearms are unloaded before placing them into the gun case.
- Store firearms in a manner that prevents movement during transport.
- Avoid placing heavy objects on top of the gun case to prevent deformation of the foam inserts.
- If you notice any unusual odors or discoloration from the foam, discontinue use and contact support.
- Be cautious when handling sharp objects or tools during installation to avoid injury.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Gun Case** Ensure the Pelican 1720 case is clean and free from debris.
2. **Insert the Foam Layers** Place the bottom layer foam insert in the case first. Ensure it fits snugly without gaps.
3. **Position the Top Layer** Place the top layer foam insert on top of the bottom layer, aligning it with the case edges.
4. **Check Fit** Ensure that both layers fit securely and that all cutouts align with your firearms and accessories.

### Usage

- **Loading Firearms** Place your AR15 and other firearms into the designated cutouts. Ensure they are seated properly and securely.
- **Storing Accessories** Use the designated compartments for magazines, ammunition, and other accessories. Ensure they are organized and secured.
- **Transporting the Case** When transporting, ensure the case is properly closed and locked. Handle with care to avoid dropping or impacting the case.

## Disposal Instructions

- Dispose of the foam inserts in accordance with local regulations regarding plastic waste.
- Do not burn the foam inserts, as they may release harmful fumes.

- If the product is damaged or no longer in use, consider recycling options available in your area.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of this product, please contact the manufacturer directly. Ensure you have the product details ready for assistance.

Thank you for following these safety guidelines. Your safety and the protection of your firearms are our top priorities.
