## Accessorize Your Handguard with Ease

COMBAT M-LOK FREE FLOAT HANDGUARDS FOR AR-15 One of the latest handguard designs purpose-built for the popular AR-15 platform is the Midwest Industries Combat M-LOK Rail Handguard. This unique, free-float design is made to offer a range of accessory-attachment options, allowing users to customize their rifle for their unique needs. Each Midwest Industries Combat M-LOK Rail Handguard is machined entirely from aluminum and features seven rows of M-LOK-compatible attachment points. The top of the handguard provides a continuous Picatinny rail for optics and other accessories, and the handguard even offers two separate quick-detach sling sockets that feature an anti-rotation design. Features Color: black May not fit all billet upper receiver designs Not for use with gas-piston AR rifles Fully free-floated design Completely made in the USA, the Midwest Industries Combat M-LOK Rail Handguard includes a heat-treated barrel nut and an installation wrench.

# COMBAT MLOK Free Float Handguards for AR15

## Safety Instruction Guide

### Introduction

Thank you for choosing the COMBAT MLOK Free Float Handguards for AR15 by Midwest Industries. This product has been designed with safety and performance in mind. It is essential to read and understand this safety instruction guide before using the handguard to ensure safe installation and operation.

### General Safety Guidelines

- Ensure that all safety precautions are followed during installation and use.
- Always inspect the handguard for any damage before installation.
- Use only compatible accessories with the MLOK attachment points.
- Follow local laws and regulations regarding firearm modifications.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe product experiences to the appropriate authorities.

### Specific Safety Precautions for Use

- **Product Compatibility:**
  - The handguard may not fit all billet upper receiver designs. Verify compatibility before installation.
- **GasPiston Systems:**
  - This handguard is not designed for use with gaspiston AR rifles. Ensure your rifle is a direct impingement system.
- **Handling:**
  - Always handle the firearm with care. Treat it as if it is loaded at all times.
- **Sling Attachment:**
  - Use the quickdetach sling sockets responsibly. Ensure that slings are securely attached to prevent accidental detachment.

### Instructions for Installation and Usage

#### 1. Tools Required:

- Heattreated barrel nut (included)
- Installation wrench (included)
- Additional tools may be required based on your specific setup.

#### 2. Installation Steps:

- **Step 1:** Ensure the firearm is unloaded and the chamber is clear.
- **Step 2:** Remove the existing handguard (if applicable) according to the manufacturer's instructions.
- **Step 3:** Attach the heattreated barrel nut to the upper receiver using the installation wrench. Ensure it is securely fastened.
- **Step 4:** Align the Combat MLOK handguard with the barrel nut and slide it into place.
- **Step 5:** Secure the handguard according to the manufacturer's specifications. Ensure all attachment points are tight and secure.

#### 3. Usage Guidelines:

- Always check the stability of the handguard and attachments before use.

- Regularly inspect the handguard and accessories for wear and damage.
- Follow the manufacturer's recommendations for accessory attachments to avoid compromising safety.

## **Disposal Instructions**

- Dispose of the handguard responsibly at a local recycling facility if it is no longer in use.
- Do not dispose of the product in regular household waste.
- Follow local regulations regarding the disposal of aluminum and firearm accessories.

## **Contact Information for Further Support**

For any questions or concerns regarding the COMBAT MLOK Free Float Handguards for AR15, please consult the manufacturer's website or contact their customer support for assistance.

By following these guidelines, you can help ensure a safe and enjoyable experience with your new handguard. Always prioritize safety and compliance with local laws when using firearm accessories.
