## Accessorize Your Handguard with Ease

COMBAT M-LOK FREE FLOAT HANDGUARDS FOR AR-15 One of the latest handguard designs purpose-built for the popular AR-15 platform is the Midwest Industries Combat M-LOK Rail Handguard. This unique, free-float design is made to offer a range of accessory-attachment options, allowing users to customize their rifle for their unique needs. Each Midwest Industries Combat M-LOK Rail Handguard is machined entirely from aluminum and features seven rows of M-LOK-compatible attachment points. The top of the handguard provides a continuous Picatinny rail for optics and other accessories, and the handguard even offers two separate quick-detach sling sockets that feature an anti-rotation design. Features Color: black May not fit all billet upper receiver designs Not for use with gas-piston AR rifles Fully free-floated design Completely made in the USA, the Midwest Industries Combat M-LOK Rail Handguard includes a heat-treated barrel nut and an installation wrench.

# Safety Instructions for COMBAT MLOK Free Float Handguards for AR15

## Introduction

Thank you for choosing the COMBAT MLOK Free Float Handguards for AR15 by Midwest Industries. This product is designed to enhance your rifle's versatility and performance. To ensure safe and effective usage, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the handguard is compatible with your specific AR15 model before installation.
- Always handle firearms with care and follow all applicable safety regulations.
- Keep the handguard and all accessories out of reach of children and unauthorized users.
- Regularly inspect the handguard for signs of wear or damage. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Avoid using the handguard with gas piston AR rifles, as it is not designed for this application.
- Ensure that the handguard is fully freefloated and securely attached to prevent any movement during use.
- Use only compatible accessories with the MLOK attachment points to avoid accidents.
- Always wear appropriate eye and ear protection when operating your firearm.
- Be aware of your surroundings and ensure a clear shooting range before use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools, including the provided installation wrench and any additional tools required for your specific rifle model.
- Ensure that your firearm is unloaded and pointed in a safe direction before beginning installation.

### 2. Installation Steps:

- Remove the existing handguard from your AR15 following the manufacturer's instructions.
- Install the heat treated barrel nut included with the handguard onto the barrel of your rifle, ensuring it is tightly secured.
- Align the handguard with the barrel nut and slide it into place.
- Use the installation wrench to tighten the handguard securely, ensuring it is freefloated.
- Attach any desired accessories to the MLOK attachment points, ensuring they are securely fastened.

### 3. Usage:

- After installation, check the stability of the handguard before using the firearm.
- Make adjustments to accessories as needed, ensuring they do not interfere with the operation of the rifle.
- Regularly inspect the handguard and attachments during use to ensure they remain secure.

## **Disposal Instructions**

- Dispose of the handguard and any packaging materials in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options or designated disposal facilities.

## **Contact Information for Further Support**

For any questions or concerns regarding the installation, usage, or safety of the COMBAT MLOK Free Float Handguards for AR15, please consult the manufacturer's website or contact their support team directly.
