## Accessorize Your Handguard with Ease

COMBAT M-LOK FREE FLOAT HANDGUARDS FOR AR-15 One of the latest handguard designs purpose-built for the popular AR-15 platform is the Midwest Industries Combat M-LOK Rail Handguard. This unique, free-float design is made to offer a range of accessory-attachment options, allowing users to customize their rifle for their unique needs. Each Midwest Industries Combat M-LOK Rail Handguard is machined entirely from aluminum and features seven rows of M-LOK-compatible attachment points. The top of the handguard provides a continuous Picatinny rail for optics and other accessories, and the handguard even offers two separate quick-detach sling sockets that feature an anti-rotation design. Features Color: black May not fit all billet upper receiver designs Not for use with gas-piston AR rifles Fully free-floated design Completely made in the USA, the Midwest Industries Combat M-LOK Rail Handguard includes a heat-treated barrel nut and an installation wrench.

# Safety Instruction Guide for COMBAT MLOK Free Float Handguards for AR15

## Introduction

Thank you for choosing the COMBAT MLOK Free Float Handguards for your AR15. This guide provides essential safety instructions to ensure the safe and effective use of your handguard. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure that the handguard is compatible with your specific AR15 model before installation.
- Always handle firearms responsibly and in accordance with local laws.
- Keep the handguard and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the handguard for any signs of damage or wear.
- Report any unsafe conditions or product defects to the appropriate authorities.

## Specific Safety Precautions for Use

- The handguard is not suitable for all billet upper receiver designs; verify compatibility prior to use.
- This product is not designed for use with gaspiston AR rifles.
- Ensure that the handguard is fully freefloated after installation to maintain accuracy and safety.
- Be cautious when attaching accessories to the MLOK slots; ensure they are securely fastened to prevent accidents.
- Use the provided heattreated barrel nut and installation wrench to ensure proper installation and safety.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including the installation wrench.
- Ensure your workspace is clean and welllit.

### 2. Installation:

- Remove the existing handguard from your AR15.
- Install the heattreated barrel nut according to the manufacturer's specifications.
- Align the new COMBAT MLOK handguard with the barrel nut and secure it in place.
- Use the installation wrench to tighten the handguard, ensuring it is firmly attached.

### 3. Usage:

- After installation, check the alignment of the handguard and make sure it is freefloated.
- Attach any desired accessories to the MLOK slots, ensuring they are securely fastened.
- Test the functionality of all accessories before using the firearm.

## Disposal Instructions

- Dispose of the handguard in accordance with local regulations.
- If the handguard is damaged or no longer in use, do not throw it in regular trash. Instead, contact local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please reach out to the manufacturer or your local retailer. Ensure that you have your product information available for reference.

Thank you for prioritizing safety and for choosing the COMBAT MLOK Free Float Handguards for your AR15. Enjoy your shooting experience responsibly!
