Yes, we love the AR-15 here at Brownells. That's why we introduced our Retro line of reproduction rifles - and why we're offering you comfort and style all wrapped in this AR-loving T-shirt! The front of this shirt has our "Retro Rifle" logo, while the back displays outlines of the most popular AR-15 configurations from across the years. Available in sizes Small all the way up to 3X-Large Top-quality 100% ring spun cotton Pre-shrunk so no surprises after the first wash Side-seam Cut-N-Sew construction We teamed up with another big name in the AR World, Magpul®, to develop these shirts. We've always appreciated the excellent quality of Magpul's own line of T-shirts (and their wry humor), so we asked them to help us make a fine cotton shirt that'll be one of the softest, most comfortable, mid-weight T-shirts you'll ever own. Magpul's exclusive Cut-N-Sew construction features a side seam to that helps prevent unwanted twisting and torqueing of the fabric, so this shirt won't bind or ride up on you. Your Brownells AR-15 Timeline T-shirt is sure to get noticed when you're out and about, and you'll wear it a lot because it's so comfortable. As a bonus, it's a great way to annoy your anti-2A friends!
