

# KEYMOD FOREARM STUD ADAPTOR - GROVTEC US KEYMOD FOREARM STUD ADAPTOR

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Sling Swivel Studs](#)

## Puts A Sling Mount On Your KeyMod Handguard

The Grovtec KeyMod Forearm Stud Adaptor provides a solid anchor for attaching a sling or bipod to your rifle or carbine with a KeyMod™ designed handguard. Working just like a traditional stock forend sling swivel, this steel adaptor accepts sling swivels and bipods from a variety of manufacturers. Grovtec's Keymod Forearm Stud Adaptor comes with two different stud screw lengths, making it easy to adjust to variances in handguards.

# Safety Instructions for the Grovtec KeyMod Forearm Stud Adaptor

## Introduction

Thank you for choosing the Grovtec KeyMod Forearm Stud Adaptor. This product is designed to provide a secure attachment point for slings or bipods on rifles or carbines equipped with KeyMod™ handguards. To ensure your safety and the optimal performance of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only as intended, in accordance with the manufacturer's specifications.
- Always inspect the adaptor before use for any signs of damage or wear.
- Keep the adaptor and all accessories out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Installation Safety:

- Always install the adaptor on a compatible KeyMod™ handguard.
- Use the provided screws that match the length required for your specific handguard.

### • Usage Safety:

- Do not exceed the weight limit specified for the sling or bipod attached to the adaptor.
- Regularly check the tightness of the screws to ensure secure attachment.

### • Handling Safety:

- Avoid dropping or mishandling the adaptor as it may cause damage.
- Use caution when attaching or detaching slings or bipods to prevent pinching or injury.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the rifle or carbine is unloaded and pointed in a safe direction.
- Select the appropriate screw length based on your handguard's thickness.
- Align the KeyMod Forearm Stud Adaptor with the KeyMod™ slot on your handguard.
- Insert the screw through the adaptor and into the handguard, tightening securely with a suitable tool.
- Verify that the adaptor is firmly attached and does not move.

### 2. Usage:

- Attach the sling or bipod to the adaptor by inserting the swivel into the stud.
- Ensure that the attachment is secure before using the rifle or carbine.
- Regularly inspect the connection to ensure it remains safe during use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding metal and plastic waste.
- Do not dispose of the adaptor in household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For any inquiries regarding the Grovtec KeyMod Forearm Stud Adaptor, please refer to the manufacturer's contact information provided with your product.
