# MLOK Rails Grovtec US Safety Instruction Guide

## Introduction

Thank you for choosing the MLOK Rails Grovtec US 6" MLOK Rail with 15 Slots. This guide provides essential safety instructions and information to ensure the safe use and installation of the product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage or defects before use. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the MLOK rail is securely mounted to the handguard before attaching any accessories.
- Use only compatible accessories that meet the MILSTD 1913 Picatinny rail pattern specifications.
- Avoid overtightening screws during installation to prevent damage to the rail or handguard.
- Do not exceed the weight limit for accessories mounted on the rail to avoid failure.
- Always follow the manufacturer's guidelines for the installation and use of accessories.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including the provided Allen wrench and mounting hardware.
- Ensure you are working in a clean and welllit environment.

### 2. Installation Steps

- Locate the desired position on your MLOK handguard for the rail installation.
- Align the MLOK rail with the slots on the handguard.
- Insert the mounting hardware through the rail and into the MLOK slots.
- Use the Allen wrench to tighten the screws securely, ensuring the rail is firmly attached.

### 3. Usage

- Once installed, you can attach tactical lights, lasers, or other Picatinny railmounted accessories.
- Ensure that all accessories are securely attached and check regularly for any looseness.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for aluminum materials.

## Contact Information for Further Support
