

M-LOK BIPOD STUD MOUNT - GROVTEC US M-LOK BIPOD STUD MOUNT 2.3

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipod Accessories](#)

Grovtec M-LOK Bipod Stud Mount offers a low profile, robust solution for attaching a bipod onto M-LOK® handguards. Machined from anodized aluminum, all edges and corners are beveled to reduce snagging plus eliminate any sharp edges. Mount is compatible with other accessories that attach to traditional sling studs. Mounts a bipod using standard swivel stud to M-Lok forearm. Includes mounting hardware and Allen wrench. Extremely lightweight, won't add bulk. The unique design of Grovtec's M-LOK Bipod Stud Mount allows it to sit close to the mounting surface, providing superior support, strength, and stability.

MLOK Bipod Stud Mount Safety Instruction Guide

Introduction

Thank you for choosing the Grovtec MLOK Bipod Stud Mount. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before installation and usage to avoid any potential hazards.

General Safety Guidelines

- Ensure safe use of the MLOK Bipod Stud Mount by following these guidelines:
- Always inspect the product for any damage or wear before use.
- Use the product only for its intended purpose: attaching a bipod to MLOK handguards.
- Keep the product out of reach of children and vulnerable groups.
- Follow all installation instructions carefully to avoid accidents.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU Safety Gate platform regularly.

Specific Safety Precautions for Use

- When using the MLOK Bipod Stud Mount, observe the following precautions:
- Ensure that the bipod is securely attached before use to prevent accidental detachment.
- Avoid using excessive force during installation to prevent damage to the product or the firearm.
- Do not modify the product in any way, as this may compromise safety and performance.
- Always use the provided mounting hardware and Allen wrench for installation.
- Be cautious when handling the product, as sharp edges may be present.

Instructions for Installation and Usage

1. Installation Steps:

- Gather all necessary tools, including the provided Allen wrench.
- Ensure the firearm is unloaded and pointed in a safe direction.
- Locate the MLOK slots on your handguard.
- Align the MLOK Bipod Stud Mount with the desired slot.
- Insert the mounting hardware through the mount and into the MLOK slot.
- Tighten the hardware securely using the Allen wrench, ensuring the mount is stable.

2. Usage Steps:

- Attach the bipod to the swivel stud on the MLOK Bipod Stud Mount.
- Ensure that the bipod is locked in place before using the firearm.
- Regularly check the tightness of the mount and bipod during use.

Disposal Instructions

- Dispose of the MLOK Bipod Stud Mount responsibly:
- If the product is damaged or no longer usable, follow local regulations for disposal of metal products.
- Do not dispose of the product in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

- For any safety inquiries or further support, please contact the manufacturer directly. Ensure you have the product details ready for reference.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your Grovtec MLOK Bipod Stud Mount responsibly!
