# HOWA SCOUT MODEL SIGHT ASSEMBLY AND MUZZLE BRAKE KIT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Howa Scout Model Sight Assembly and Muzzle Brake Kit. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this document carefully before use to help prevent accidents and ensure compliance with safety regulations.

## General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Ensure that the product is compatible with your firearm model before installation.
- Store the product in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the product for wear or damage before each use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls and safety notices via the EU Safety Gate platform.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to malfunction or accidents.
- Misuse of the muzzle brake may result in increased recoil or noise.

### • Avoiding Hazards:

- Follow the installation instructions carefully.
- Do not modify the product in any way.
- Use only the recommended accessories and parts.
- Ensure that the firearm is unloaded before installation or maintenance.

### • Age Specific Warnings:

- This product is intended for adult use only. Keep out of reach of children.
- Ensure that any users are trained and knowledgeable about firearm safety.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools for installation.
- Ensure your workspace is clean and free from distractions.

### 2. Installation of the Sight Assembly:

- Unload your firearm and ensure it is pointed in a safe direction.
- Remove any existing sight from the firearm if applicable.
- Align the new sight assembly with the mounting points on the firearm.
- Secure the sight assembly using the provided screws. Ensure they are tightened to the manufacturer's specifications.
- Check alignment and adjust as necessary.

### **3. Installation of the Muzzle Brake:**

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing muzzle device if applicable.
- Clean the muzzle threads to remove debris.
- Place crush washers on the muzzle brake as instructed.
- Screw the muzzle brake onto the firearm's muzzle, ensuring it is tight but not overtorqued.
- Check for proper alignment and ensure the brake is securely attached.

### **4. Usage:**

- Before firing, doublecheck that the sight assembly and muzzle brake are securely installed.
- Always wear appropriate eye and ear protection when shooting.
- Follow all safety protocols for handling and firing your firearm.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Howa Scout Model Sight Assembly and Muzzle Brake Kit, please refer to the manufacturer or your place of purchase for assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on responsible handling and usage of this product.
