

TALOS 20-60X80MM SPOTTING SCOPE - TALOS 20-60X80MM ANGLED SPOTTING SCOPE

[Home](#)

Designed for Easy Spotting

To make spotting easy and intuitive, the Athlon Talos 20-60x80mm Spotting Scope strips away all the complicated elements that only serve to clutter and confuse users. This streamlined system is designed with quality and ease-of-use in mind. The Athlon Talos 20-60x80mm Spotting Scope is built with fully multi-coated lenses, along with silver-coated K9 prisms. Ultimately, this optics setup conveys added clarity and contrast, brightening up the image for easier viewing downrange. Available in black, coyote tan colors Overall length: 16.5 inches Weight: 38.5 ounces Ships with table-top tripod and soft-sided carrying case The chassis of the Athlon Talos 20-60x80mm Spotting Scope is made from a composite material in order to shave weight, but the unit is still rated fogproof and waterproof.

TALOS 2060X80MM SPOTTING SCOPE SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Athlon Talos 2060x80mm Spotting Scope. This guide provides important safety information and instructions to ensure the safe use of your spotting scope. Please read this guide carefully before use to maximize your safety and enhance your experience.

General Safety Guidelines

- Always handle the spotting scope with care to avoid damage.
- Keep the scope out of reach of children and vulnerable individuals to prevent accidents.
- Inspect the product before each use for any signs of damage or wear.
- Ensure that the scope is used only for its intended purpose.
- Be aware of your surroundings while using the spotting scope to avoid accidents.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Awareness:**
 - Be cautious when using the scope in wet or slippery conditions.
 - Avoid pointing the scope at the sun or other intense light sources to prevent eye damage.
- **Age Restrictions:**
 - This product is not intended for use by children under the age of 12 without adult supervision.
- **Proper Handling:**
 - Use both hands when adjusting the scope to maintain stability.
 - Avoid dropping the scope or exposing it to extreme temperatures.

Instructions for Installation and Usage

- **Setup:**
 1. Remove the spotting scope and accessories from the packaging.
 2. Attach the tabletop tripod to the base of the spotting scope securely.
 3. Adjust the tripod legs to ensure stability on a flat surface.
- **Using the Spotting Scope:**
 1. Adjust the eyepiece to your preferred eye relief (0.6 to 0.7 inches).
 2. Rotate the zoom dial to select your desired magnification (20x to 60x).
 3. Look through the eyepiece and adjust the focus until the image is clear.
 4. Pan the scope slowly to scan the area you are observing.
- **Maintenance:**
 - Keep the lenses clean by using a soft, dry cloth.
 - Store the spotting scope in the soft-sided carrying case when not in use to protect it from dust and damage.

Disposal Instructions

- Dispose of the spotting scope and its components in accordance with local regulations.
- Do not dispose of electronic components in regular household waste.
- Consider recycling options for materials that can be reused.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's contact details provided in the product packaging or visit the official website of Athlon Optics.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy using your Athlon Talos 2060x80mm Spotting Scope!
