

# AR-15 MICULEK COMPENSATOR 22 CALIBER - BANG COMPENSATOR .223 REM 1/2-28 STEEL BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

## Designed to Reduce Recoil and Muzzle Climb

Jerry Miculek made a name for himself by getting on target quickly and accurately with his go-to AR-15 rifle. Now, he's helping AR-15 owners across America do the same thing with the launch of the Miculek 22 Caliber AR-15 Compensator. This unique muzzle device is designed for all .223/5.56 NATO modern-sporting rifles equipped with 1/2-28 TPI threaded muzzles. The compensator is machined from 4140 steel and features an all-black manganese-phosphate finish. The design features six ports paired with three baffles that direct muzzle gas out sideways, reducing recoil and muzzle climb. A solid bottom prevents venting gas from throwing up dust while shooting prone, and each compensator ships with a lock nut for installation. The device measures in at a 7/8-inch diameter and 2-inch overall length, weighing 3.6 ounces.

## Attributes

- Name: [BANG COMPENSATOR .223 REM 1/2-28 STEEL BLACK](#)
- Manufacturer: [BANG](#)
- Product no.: 100030386
- Mfr. No.: MIC-COMP-223
- Caliber: 22 Caliber (.223-.224)
- Finish: Black
- Material: Steel
- Threads: 1/2-28
- Weapon type: AR-15
- Delivery weight: 0.104kg
- Shipping height: 25mm
- Shipping width: 76mm
- Shipping length: 152mm

# Safety Instruction Guide for AR15 Miculek Compensator

## Introduction

Thank you for choosing the AR15 Miculek Compensator. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document thoroughly before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with the operation and handling of firearms before using this compensator.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Use appropriate eye and ear protection when shooting.
- Store the compensator and firearm securely when not in use, out of reach of children and unauthorized users.
- Regularly inspect the compensator for signs of wear or damage. Do not use if damaged.
- Be aware of your surroundings and ensure that you have a safe backdrop when shooting.

## Specific Safety Precautions for Use

- This compensator is designed specifically for .223/5.56 NATO rifles with 1/228 TPI threaded muzzles. Ensure compatibility before installation.
- Do not modify the compensator or use it in a manner other than intended.
- Be cautious of the increased noise and muzzle blast when using this compensator.
- The compensator may redirect gas and debris; ensure that bystanders are at a safe distance.
- If you experience any malfunctions or unusual behavior during use, cease firing immediately and inspect the firearm and compensator.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the muzzle threads of your rifle to remove any debris or oil.
- Align the compensator with the threaded muzzle of your rifle.
- Handtighten the compensator onto the threads.
- Use a wrench to secure the compensator, but do not overtighten to avoid damage.
- Install the provided lock nut to ensure the compensator remains secure during use.

### 2. Usage:

- Always wear eye and ear protection when firing.
- Fire the rifle in a safe environment, ensuring a clear line of sight and safe backdrop.
- Monitor the performance of the compensator during use. If you notice excessive recoil or unusual noise, stop using the firearm and inspect the compensator.
- After firing, allow the compensator to cool before handling, as it may become hot.

## Disposal Instructions

- Dispose of the compensator in accordance with local regulations.
- Do not dispose of the compensator in regular household waste.

- If the compensator is damaged or no longer usable, contact local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the AR15 Miculek Compensator, please reach out to the designated EU contact point or the manufacturer. Always refer to the official website or product documentation for the most accurate and up-to-date information.

By adhering to these safety guidelines and instructions, you can ensure a safer shooting experience with your AR15 Miculek Compensator. Stay safe and enjoy your shooting activities responsibly.
