

HEAVY DUTY PUSH BUTTON SWIVELS - GROVTEC US HEAVY DUTY PUSH BUTTON SWIVELS MANGANESE BLACK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Rifle Swivel Sets](#)

Secure, Reliable, QD Swivel For Sling Attachment

Grovtac's Heavy Duty Push Button Swivels are perfect for mounting a sling to your gun, and are beefy enough to handle abuse in the field. Quiet, 360° swivel rotation keeps the sling from tangling and improves carry comfort during those long days in the field. Smooth operating, the centrally located push-button, combined with a polished ball-bearing locking mechanism, ensure easy attachment on any gun equipped with a quick-detach base. Steel, non-glare manganese phosphate finish Fits 1-1/4" slings Pull tested up to 450 pounds Two swivels per pack Delivering rock-solid performance under the most demanding conditions, the Grovtac Heavy Duty Push Button Swivel easily attaches or detaches with just a quick push of the button. Available in single pack, too (#100-030-349).

Safety Instruction Guide for Grovtec Heavy Duty Push Button Swivels

Introduction

Thank you for choosing the Grovtec Heavy Duty Push Button Swivels. These swivels are designed for reliable performance and ease of use when mounting a sling to your firearm. Please read this safety instruction guide carefully to ensure safe and proper usage. This guide complies with the EU General Product Safety Regulation (GPSR) and includes essential safety information and guidelines.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose of mounting slings to firearms.
- Always check the product for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe product conditions or accidents to the relevant authorities.
- Stay informed about any recalls or safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Weight Limit:** The Grovtec Heavy Duty Push Button Swivels are pull tested up to 450 pounds. Do not exceed this limit to avoid failure.
- **Installation:** Ensure that the swivels are installed correctly on a firearm equipped with a quickdetach base.
- **Inspection:** Regularly inspect the swivels for wear, especially the pushbutton mechanism and locking system.
- **Use in Safe Environments:** Avoid using the swivels in extreme conditions where they may be exposed to excessive force or adverse environmental factors.
- **Avoid Modifications:** Do not modify the swivels or use them in any manner other than intended.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction during installation.
- Gather all necessary tools for installation, if required.

2. Installation:

- Locate the quickdetach base on your firearm.
- Align the pushbutton swivel with the base.
- Press the pushbutton to insert the swivel into the base until it clicks into place.
- Verify that the swivel is securely attached by pulling gently on it.

3. Usage:

- Attach your sling to the swivel.
- Ensure that the sling is properly secured and that the swivel rotates freely.
- When detaching, press the pushbutton and gently pull the swivel from the base.

4. PostUse Care:

- After use, inspect the swivels for any signs of damage.

- Clean the swivels as necessary to maintain their functionality.

Disposal Instructions

- Dispose of the product according to local regulations and guidelines.
- Do not dispose of the product in household waste.
- Consider recycling options if available.

Contact Information for Further Support

For any questions or concerns regarding the Grovtec Heavy Duty Push Button Swivels, please reach out to the designated support channels provided by the manufacturer. Ensure you have your product information available for reference.

By following these safety instructions, you can ensure the safe and effective use of your Grovtec Heavy Duty Push Button Swivels. Thank you for your attention to safety and proper usage.
