

KEL-TEC GEN 2 SUB 2000 ALUMINUM 1-PIECE PIC TOP OPTIC MOUNT - MIDWEST INDUSTRIES KEL-TEC GEN 2 SUB 2000 AIMPOINT T1/T2 MINI OPTIC MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Enhance Your Kel-Tec SUB 2000

The Kel-Tec SUB 2000 is a great carbine design that can be packed up easily and carried anywhere, thanks to its innovative folding design. However, the firearm doesn't offer an easy way to mount a user's optic of choice. The Midwest Industries SUB 2000 1-Piece Optic Mount allows owners to add a red-dot optic of their choosing. The Aimpoint T1/T2 works with both models of optic as well as H1, H2, or similar clones. The Midwest Industries SUB 2000 1-Piece Optic Mount is specifically designed for miniature red-dot sights, such as Bushnell's popular TRS-25 red dot. The mount provides users with a short length of Picatinny rail compatible with most mounting options on the market. Features hard-anodized black finish Weight: 2.7 ounces Includes all mounting hardware The SUB 2000 1-Piece Optic Mount is completely made in the USA and comes with a lifetime warranty.

KELTEC GEN 2 SUB 2000 Optic Mount Safety Instruction Guide

Introduction

Thank you for choosing the KELTEC GEN 2 SUB 2000 Aluminum 1Piece Pic Top Optic Mount by Midwest Industries. This guide provides essential safety instructions to ensure the proper use and installation of your optic mount. Please read this guide carefully to maximize safety and performance.

General Safety Guidelines

- Ensure that all components are compatible with your KELTEC SUB 2000 firearm before use.
- Always handle the optic mount and firearm with care to prevent accidents.
- Keep the optic mount out of reach of children and unauthorized users.
- Regularly inspect the optic mount for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories and usage.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's weight limit for optics mounted on the optic mount.
- Ensure that the optic is securely attached to the mount before use.
- Avoid using the optic mount in extreme conditions that may affect its performance, such as excessive heat or moisture.
- Use only recommended tools for installation to prevent damage to the mount or firearm.
- If you experience any malfunction or failure of the optic mount, discontinue use immediately and consult a qualified professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a screwdriver and any mounting hardware included with the optic mount.
- Ensure your firearm is unloaded and in a safe condition before proceeding.

2. Installation:

- Locate the Picatinny rail on your KELTEC SUB 2000.
- Align the optic mount with the rail, ensuring that the mounting points fit securely.
- Use the provided mounting hardware to secure the optic mount to the rail. Tighten the screws carefully to avoid overtightening.
- Check that the mount is firmly attached and does not move.

3. Optic Attachment:

- Select a compatible optic, such as the Aimpoint T1/T2 or similar models.
- Follow the optic manufacturer's instructions for attaching the optic to the mount.
- Ensure that the optic is securely fastened and positioned for optimal use.

4. Usage:

- Always practice safe firearm handling when using your KELTEC SUB 2000 with the optic mount.
- Regularly check the stability of the optic and mount during use, especially after transport.

Disposal Instructions

- Dispose of the optic mount in accordance with local regulations.
- Do not dispose of the mount or any associated hardware in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries regarding safety or installation, please refer to the manufacturer's website or customer service resources.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation (GPSR) while enjoying your KELTEC GEN 2 SUB 2000 Optic Mount.
